Student life at Downers is a constantly changing mosaic of opinions, fads, and ideas over a solid, well-rounded educational program. Emphasis in curricular and extra-curricular activities shift with the needs of students preparing for careers in a complex, highly competitive world. For forty years **Cauldron** has presented a graphic record of shifting school patterns. This, the forty-first volume of **Cauldron**, spotlights the trends in opinion and action which are influencing DGHS today.

With Sputniks in the sky, atomic reactors on the ground, tranquilizers and vaccines, and thousands of new plastics each year, public attention is focused on science throughout the world. At Downers High, new physics and chemistry labs, completed two years ago, are now filled six periods a day. Science clubs boom, and the science fair is jammed with entries.

But Downers students are not, and never have been, dull "grinds." The "Knockers," pictured at the left, won popularity but full houses also greeted fine dramatic and musical productions.

While some fads spread, others die out.

Motor scooters became very popular when a law was passed exempting their drivers from normal licensing requirements. Fourteen-and fifteen-year-olds, unable to drive cars, welcomed the "scooter law," while it remained in effect.

However, shifting trends have not weakened the traditional interest in athletics at Downers. With or without an imminent championship, the cheerleaders are on hand to urge the Trojans on. The purple-clad girls are the heart of DGHS "school spirit."

A broad, well-taught curriculum is, of course, the core of Downers' student life. Extra-curricular activities reinforce and extend the academic program. The yearbook, in picturing school activity, will reflect trend in both.

We of the **Cauldron** staff hope that the following pages capture the essence of Downers Grove High School. The trend of the first forty issues to less formal but more memorable books has been our guide.

We hope that the classes which will hold the **Cauldron** spoon in the future will be able to find in this edition an accurate portrait of Downers school life in 1959-60.

YEARS OF

THE CAULDRON

Foreword

We, the Class of 1958, have completed our quest to gather the gems of memory and to universally place them in this treasure chest, the Cauldron, that others may live again the happy days of the great year.

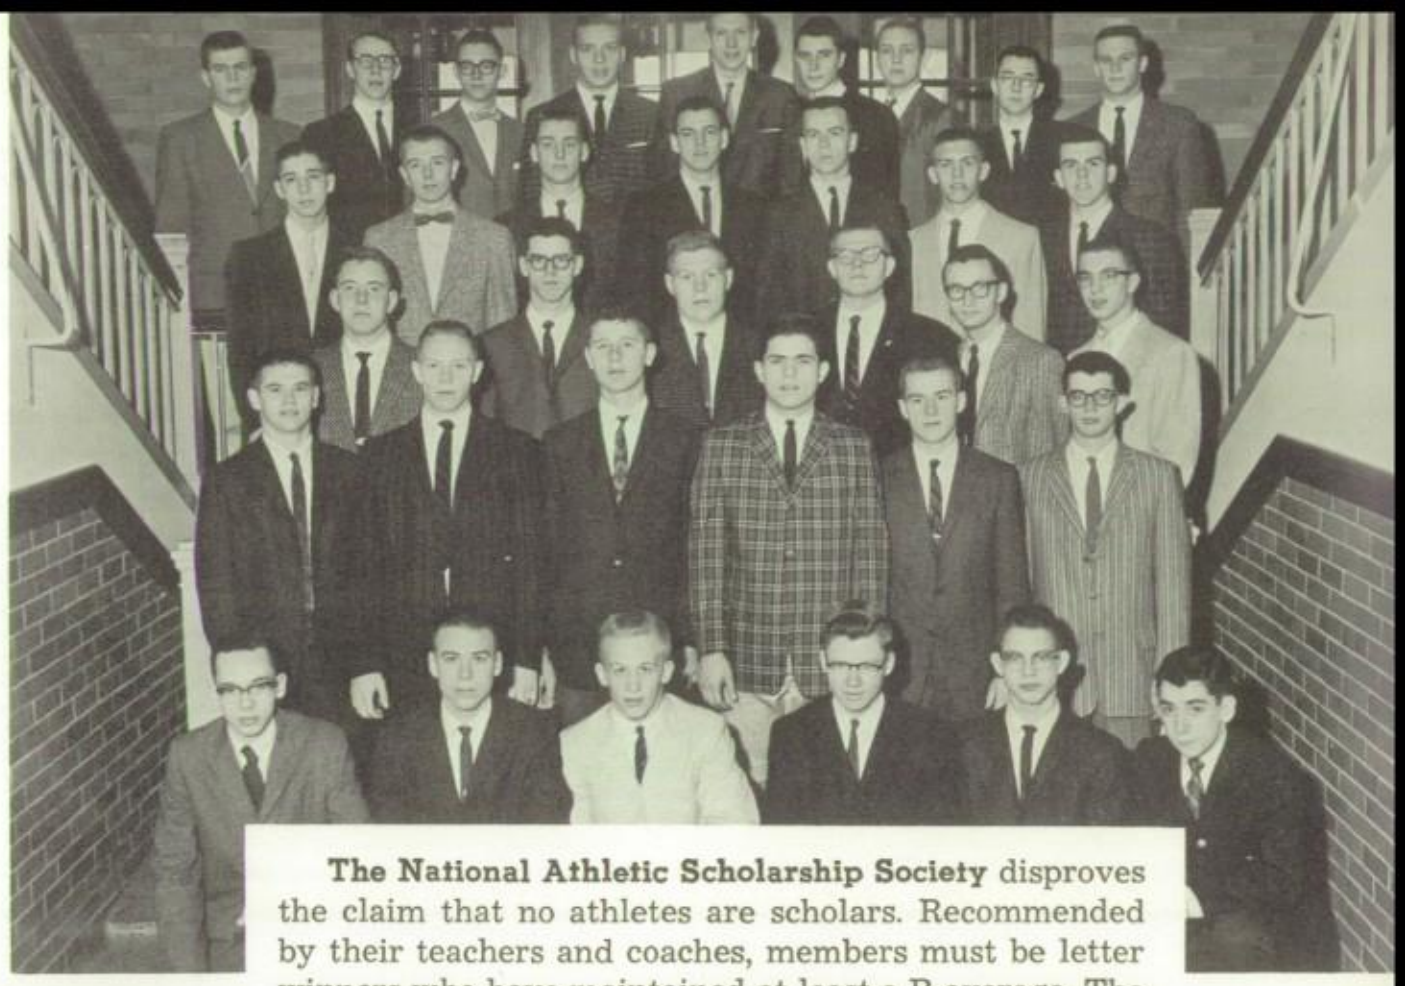
# HONORS

The first section of the 1960 **Cauldron** recognizes the honors won by Downers students for academic and non-academic achievements. The honors are varied, ranging from awards for excellence in dramatics or journalism to citizenship awards to recognition for outstanding performance both on the playing field and in the classroom. Besides the honors listed in this section, more than thirty Illinois State scholarships were awarded to seniors in the spring. Many science projects — winners from the local fair — received awards at the District and State science fairs. These and other honors could not be included because of an early publication deadline.

## FORTY YEARS OF CAULDRON

# N.A.S.S.

Row 1 John Poling, Dave Wotring, Jim Schlademan, Allan Larson, Dave Kerchner, Ed Briner.
Row 2 Mike Cline, Wynn Miller, Dave Ferguson. Jim Avgeris, Mickey Allen, Tom Wheaton.
Row 3 Peter Kuhn, Steve Rowan, David Smith, Frank Dean, Ken Moller, Arnold Dicke.
Row 4 Wayne Piotrowski, Jim Daly, Dick Peiffer, Bill Miller, Jim Hansen, Ronald Erickson, Paul Pickrel.
Row 5 Pete Kempfer, Jim Robbins, Wayne Ryback, Truman Phillips, Bill Bulat, Pat Aikins, Gary League, James Joyce, Andy Weise.



**The National Athletic Scholarship Society** disproves the claim that no athletes are scholars. Recommended by their teachers and coaches, members must be letter winners who have maintained at least a B average. The NAAS encourages boys who participate in athletics to maintain a commendable scholastic average.

# NATIONAL HONOR SOCIETY

## QUILL & SCROLL

**Quill and Scroll** membership is annually awarded to those staff members of Caldron and High Life who have shown outstanding achievement in journalism. Members of the International Society for High School Journalists, after meeting requirements of high scholastic standing and superior ability in editing, writing, or business management were nominated by DG HS advisors, Mrs. Lois Dahl, Mr. George Pappas, and Miss Betty Lee Chessman, and approved by the Society's Executive Secretary. The members nominated in March, received gold pins and subscriptions to **Quill and Scroll** magazine.

National Thespians —
Row 1 Janet Dian, Royann Pedersen, Wendy Gooder, Emily Guthrie, Carol Charlton, Marilyn Bertha.
Row 2 Betts Baukol, Judy Rungger, Judy James, Sue Perry, Sue Warford, Karen Hammond.
Row 3 Nancy Smuk, Betty Kozak, Linda Brody, Suzanne LaFayette, Jeri Logemann, Carol Poindexter, Monica Stephenson.
Row 4 Jeff Harris, Dave Hassell, Mike Marchiando, Bill Kornrumpf, Phil Hanson, John Wittekindt, Jim Korb, Danny Fulton, Dick Anderson.

## THESPIANS

**Thespian-Troop 1886** forms the nucleus of Drama Club. Selection of members is based on points awarded for acting or backstage work. Drama Club workshops on make-up, lighting and acting, are supervised by Thespian members.

Thespians took part in several conferences this year: the club won the attendance trophy at the Northern Illinois Regional Conference and participate in the program at the National Convention at Bloomington, Indiana, in June.

# STUDENT HONORS

Honor Students — Susan Warford, Martha White, Arnold Dicke, Lynne Bradley, Barbara Hughes.

**Top Scholars** — This year, for the second time in Downers history four seniors have tied for the honor of valedictorian. Lynne Bradley, Barbara Hughes, Susan Warford, and Arnold Dicke each finished the first seven semesters of high school work with a perfect 4.00 grade average. Martha White is salutatorian.

**National Merit Finalists** — Downers Grove High School this year placed three students in the finals of the National Merit Scholarship competition. These seniors were Martha White, John Wittekindt, and Arnold Dicke. Martha and Arnold were also semi-finalists for the General Motors National and National Honor Society Scholarships. Dicke received a General Motors grant and an honorary Merit Scholarship.

National Merit Finalists — John Wittekindt, Martha White, Arnold Dicke.

# STUDENT HONORS

**G.A.A. Cup** — Since 1928 the Girls' Athletic Association has had the name of one outstanding senior girl engraved on the G A A cup. This year it has chosen to honor Doris Groeneveld for her valuable service on the G A A board and for her personality and leadership qualities which have helped to promote a certain desirable spirit in all physical education activities. Doris, along with Marsha Foster, Jeanne Loewenau, and Nancy Seinwerth, the other nominees, received miniature cups as rememberances.

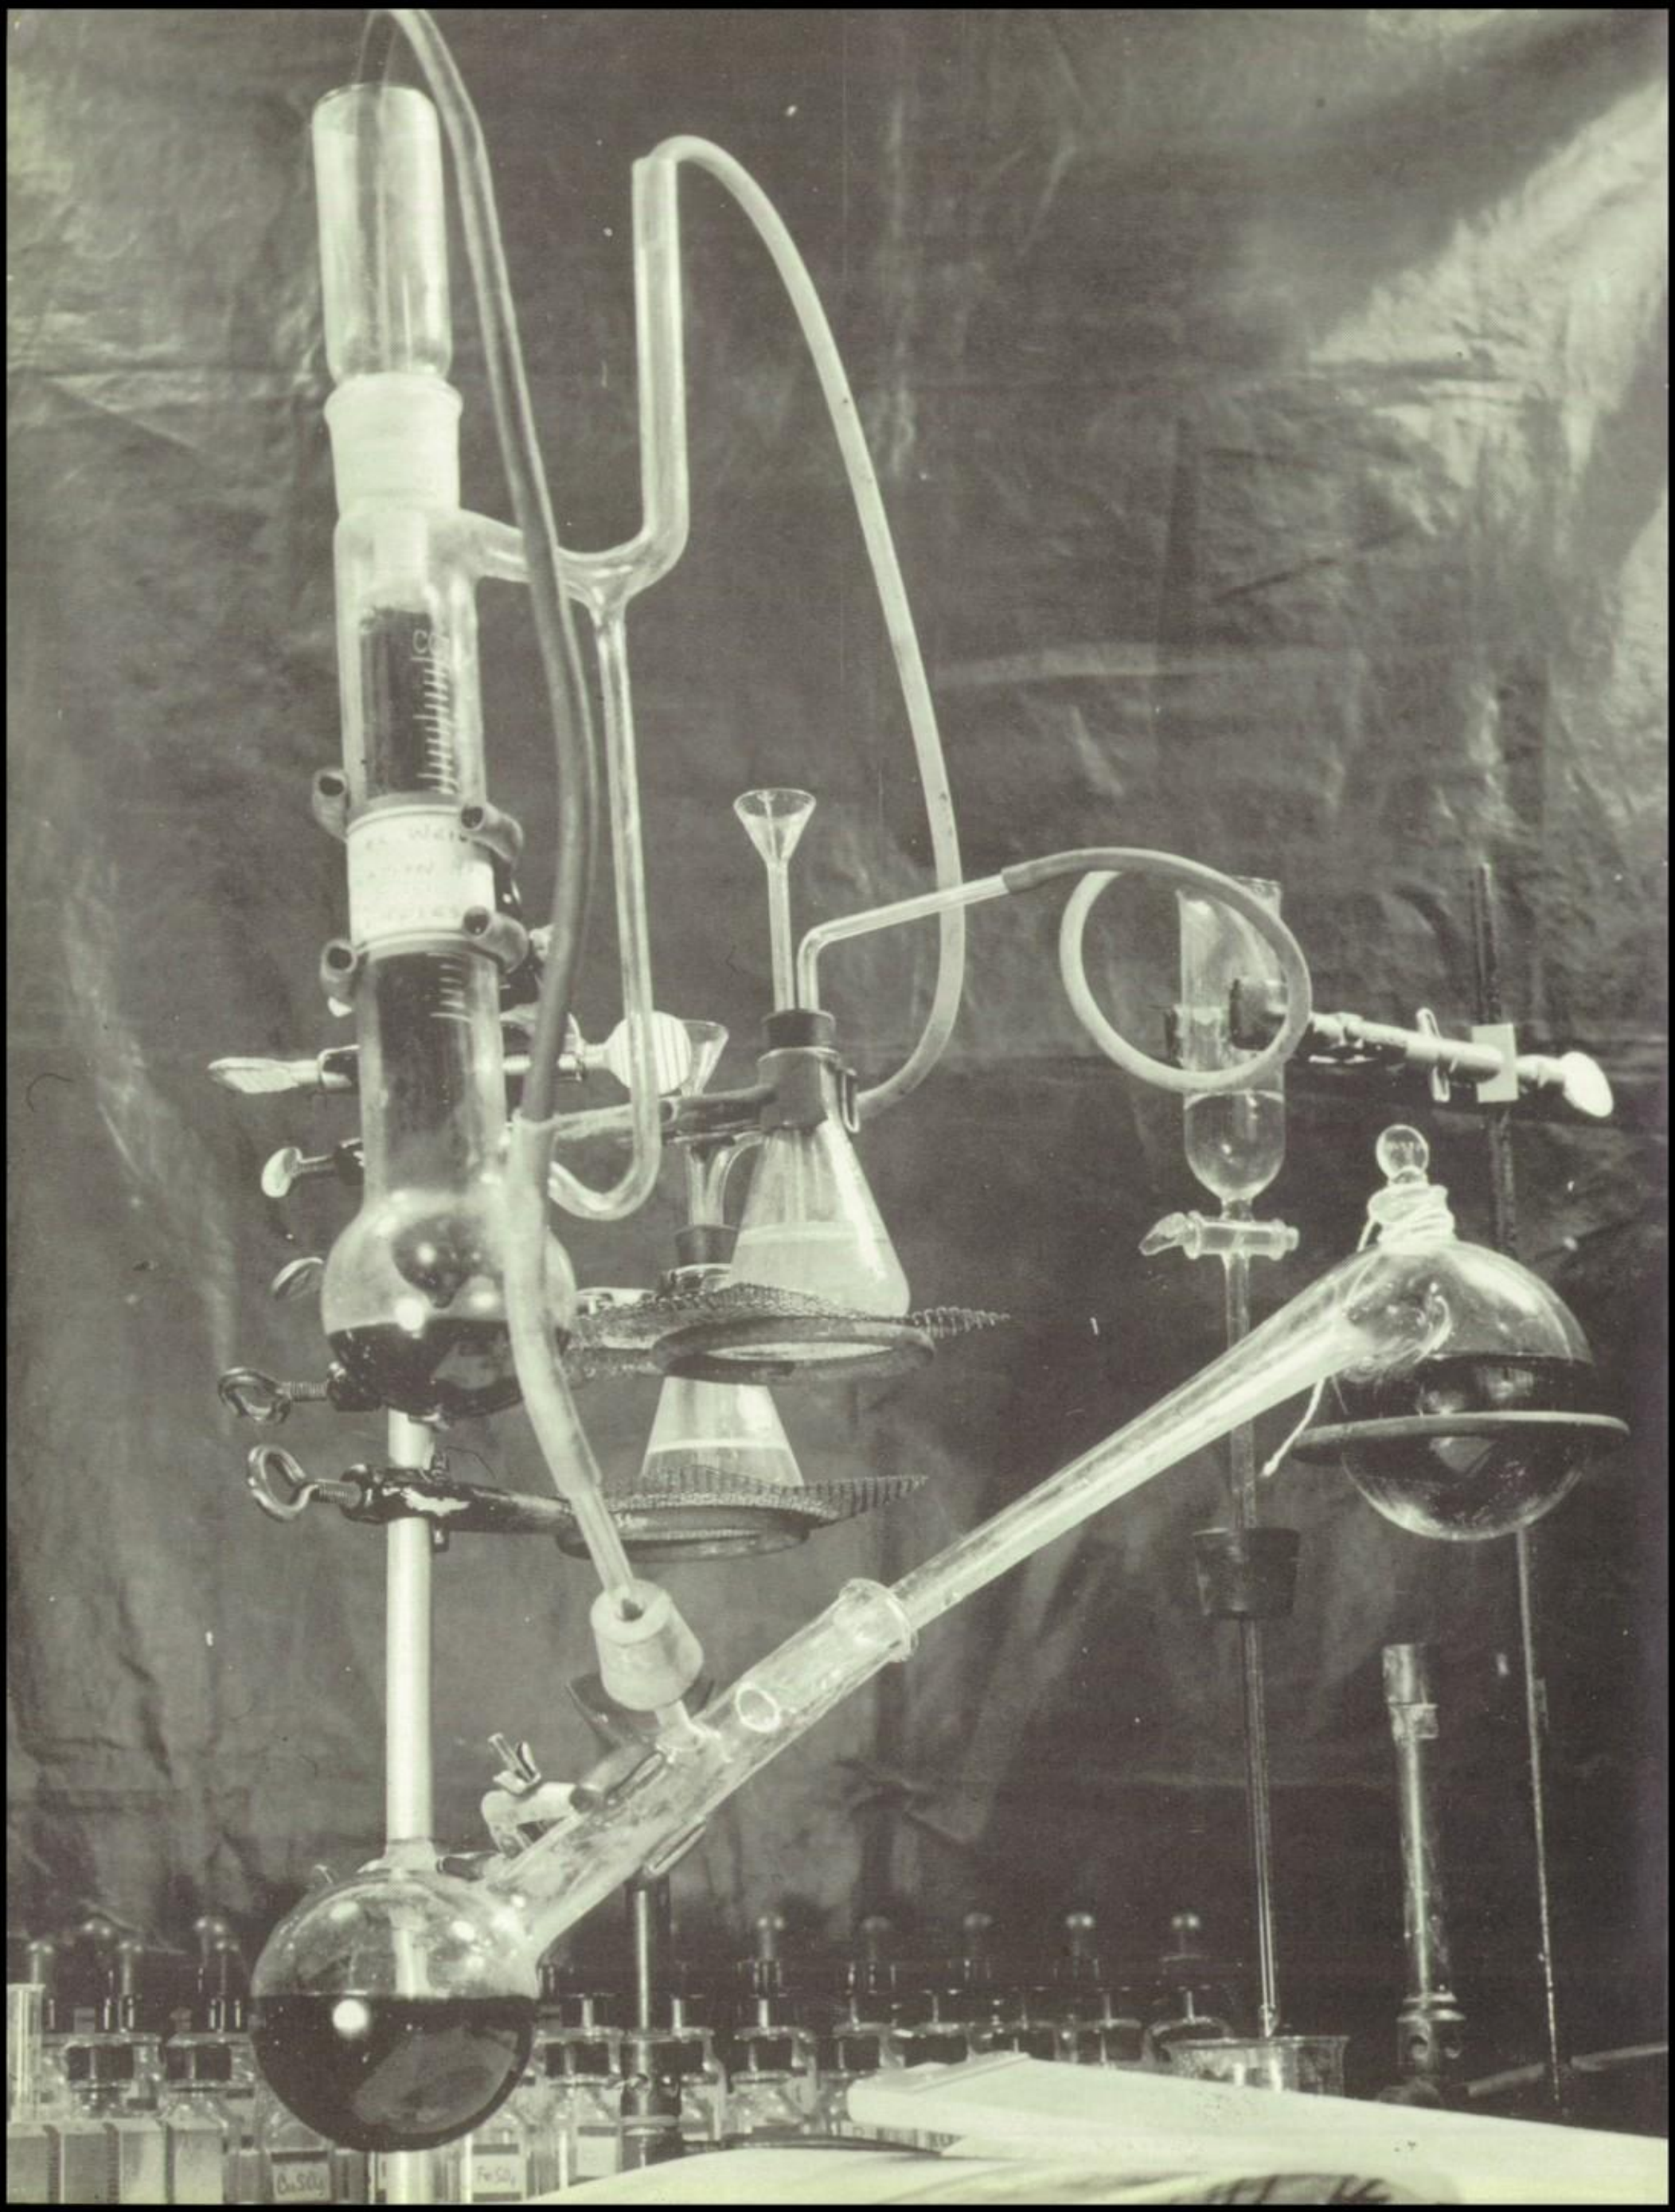
GAA Cup — Nancy Seinwerth, Marsha Foster, Doris Groeneveld, Jeanne Loewenau.

**Foreign Exchange** — Downers students' knowledge of foreign countries has been extended by foreign exchange program. Last year's exchange student, Kathy Saxton, reported to all the home rooms this year on her experiences in Germany last summer. This summer two students will represent Downers in Europe. Mary Gibson was chosen to return the visit of Mireille Chausse of Marseilles, France. Mireille spent the entire 1959-60 school year at Downers. Dick Lucier was selected as one of ten teenagers from the Chicago area to attend the Y.M.C.A. World Youth Conference in Amsterdam.

Foreign Exchange — Mireille Chausse, Kathy Saxton, Mary Gibson, Dick Lucier.

**D.A.R.** — From the three finalists, Gwen Law, Betty Sue Frey, and Joan Keough, Gwen Law was chosen as this year's D A R "Good Citizen." She, along with other girls chosen from their senior classes in each of the fifty states, were paid tribute as a Daughter of the American Revolution for their dependability, service, leadership and patriotism. These qualities, her genuine regard for the welfare of others, and her strong belief in what is right make Gwen a very deserving winner of this award.

DAR — Gwen Law, Joan Keough, Betty Sue Frey.



# ACADEMICS

A glance at the preceding section reveals a nationwide trend towards greater emphasis on **academics** and scholastic standing. Seniors applying to colleges have found a good academic record to be a necessity for admission; and more and more business firms are checking the high-school transcripts of job applicants. The following pages show DGHS teachers who are doing their part to keep America the best educated nation in the world.

# SUPERINTENDENT

GLENN E. PICKREL
M.A. — University of Nebraska
D.Ed. — University of Nebraska
Superintendent of Schools

Superintendent Glenn E. Pickrel's third year in Downers Grove is marked by completion of work for his D.Ed. degree which was conferred on him by the University of Nebraska in January, 1960. Dr. Pickrel previously received his Master's degree from the same university.

During his administration, Dr. Pickrel has anticipated and provided for the requirements of two growing school districts. Curricula have been expanded, both in the grade schools and in the high school; accelerated classes have been added; and productive experimental programs are in progress. Because of his foresight in educational planning and because of his active participation in village life, Dr. Pickrel has endeared himself to the entire community.

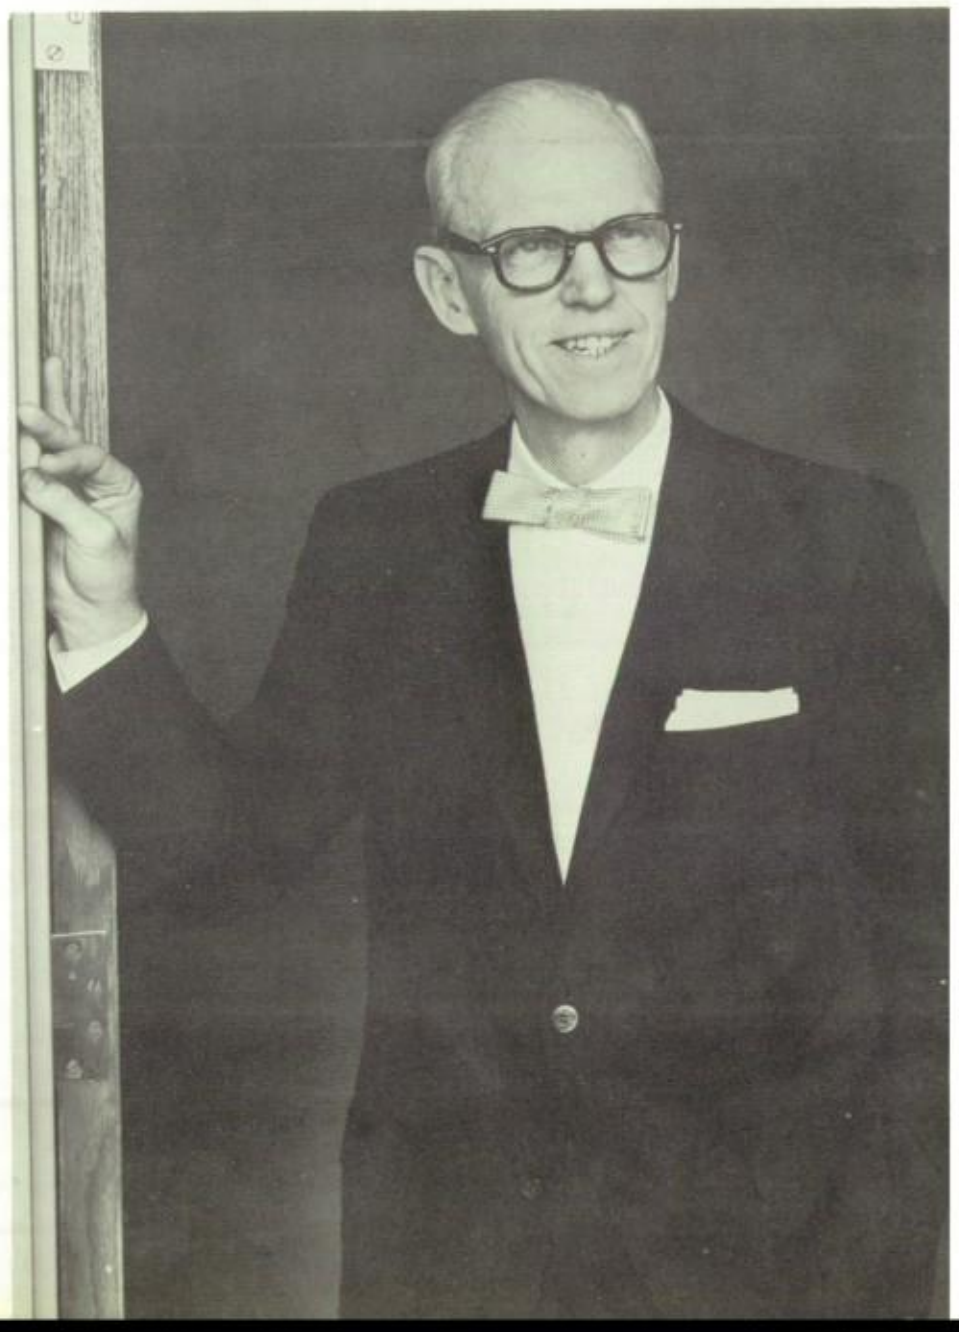
Superintendent Pickrel is a member of Phi Delta Kappa, N.E.A., and the American Association of School Administrators. He also belongs to the local chapter of Lions Club and serves on the local Y.M.C.A. Board of Directors.

# PRINCIPAL

CLARENCE W. JOHNSON
M.A. — Columbia University
Principal

Principal Clarence W. Johnson's twenty-ninth year as revered mentor of DGHS is especially significant because of the extension and enrichment of the academic program. To implement the broadened curriclum, it has been necessary to expand teaching, supervisory, administrative and maintenance staffs; however, in spite of additional responsibility in a rapidly growing school, Mr. Johnson always finds time to talk with students and teachers who seek his counsel.

Mr. Johnson received his B.A. degree from Northern Illinois Teachers' College, DeKalb; his M.A. degree from Columbia University, New York City; and he has also done considerable specialized graduate work at Northwestern University, Evanston, Illinois. He is a life member of N.E.A. and participates actively in the National Association of High-School Principals. He also belongs to the local chapter of Kiwanis and serves as a lay moderator at the Congregational church.



Dr. Melvin J. Hetland, Ed.D.—Columbia University, Director of Curriculum; Dean A. Shinneman, M.S.—Northwestern University, Director of Business Affairs; Dr. Charles E. Elmlinger, Ed.D.—University of Nebraska, Director of Certified Personnel.

## ADMINISTRATIVE ASSISTANTS

**ADMINISTRATIVE ASSISTANTS.** The coordination and supervision of the entire Downers Grove school system is greatly aided by the work of three men. These are Dr. Melvin Hetland, Director of Curriculum; Mr. Dean Shinneman, Business Manager; and Dr. Charles Elmlinger, Personnel Director. Their contribution toward continuity in curriculum, sound budgeting, and the employment of capable staffs help Downers maintain one of the finest school systems in the area.

## BOARD OF EDUCATION

The increasing number of students entering DGHS each year creates many of the problems which the **Board of Education** faces every year. The new language laboratory is one of the steps it has taken to provide adequate educational equipment for the growing student body. New athletic facilities were also inaugurated, and the student exchange program was continued.

# GUIDANCE DEPARTMENT

Charlotte Andersen-Dean of Girls; Northwestern University; M.A.

Herbert L. Adams-Dean of Boys; University of Illinois; M.A.

The work of the **Guidance Department** affects every student in the school. The purpose of the department is to give both educational and vocational guidance to students to help them make the best use of their abilities. All students are assigned to counselors who meet with freshman groups once a week and hold private conferences with upperclassmen at least twice a year. The Department administers an extensive program of ability and achievement testing. College Night, Career Day, college visits, and college entrance examination are other services arranged by the Guidance Department.

As a theme for its twenty-fifth year, the High School **Parent-Teachers Association** chose: **Prepare today for a better tomorrow through education.** This theme was carried out through various programs, including open house, panel discussions, guest speeches, and joint meetings with other Downers Grove P. T. A. groups.

Each of the five meetings was successful in helping to broaden public knowledge and understanding of education. Emphasis was placed on fitting the local educational program to the needs and talents of youth and urging parents to visit school to see what is being done today to prepare for a better tomorrow.

# OFFICE STAFF

Mechanization has become the byword of the **Office Staff** this year, as everything from program slips to report cards has been changed from hand written to machine typed material. Several staff members have taken specialized courses in the operation of the new machines and their effective use in school business. However, much unmechanized routine still remains: phone calls are answered, forgotten lunches returned, missing books recovered, and unending questions answered. Using the most modern methods available, the office staff keeps busy in aiding both students and faculty and in making the high school a smooth-running, business-like organization.

# ENGLISH DEPARTMENT

**THE ENGLISH DEPARTMENT** is constantly improving standards of excellence through addition of accelerated courses for qualified students; divisional courses of journalism, speech, and debate; intensive instruction and practice in writing; preparation for teaching American literature survey course in the junior year to correlate with American history in the junior year; and switching the English literature survey course from the junior year to the senior year. Special faculty committee work has resulted in a closely integrated four-year English course, with special interest projects designed to meet the needs and abilities of individual students.

# MATHEMATICS

**MATHEMATICS** has been termed the "language of science." As scientific and technological knowledge becomes more complex, the need for men skilled in mathematics increases. The Downers Grove school system has kept up with the demand for mathematical training. A new trend towards more advanced math in junior high school has resulted in a revision in the curriculum offered by the mathematics department. Capable eighth graders are studying algebra and are taking plane geometry as freshmen, qualifying them for enrollment in college-level courses during their senior year. Classes such as solid geometry, trigonometry, second year and college algebra are attracting more students. Students with special aptitudes in math are placed in accelerated classes which offer more advanced mathematical methods and techniques.

# SOCIAL STUDIES

**Social Studies** are increasing in importance as modern transportation and communication bring into focus the actions of peoples all over the globe. Studying the past to understand the future is an important objective of the Social Studies Department. Contributions to our modern way of life from civilizations old and new are evaluated, and forms of government are compared to enlarge understanding of current events the world over and to develop responsible citizenship in a democracy.

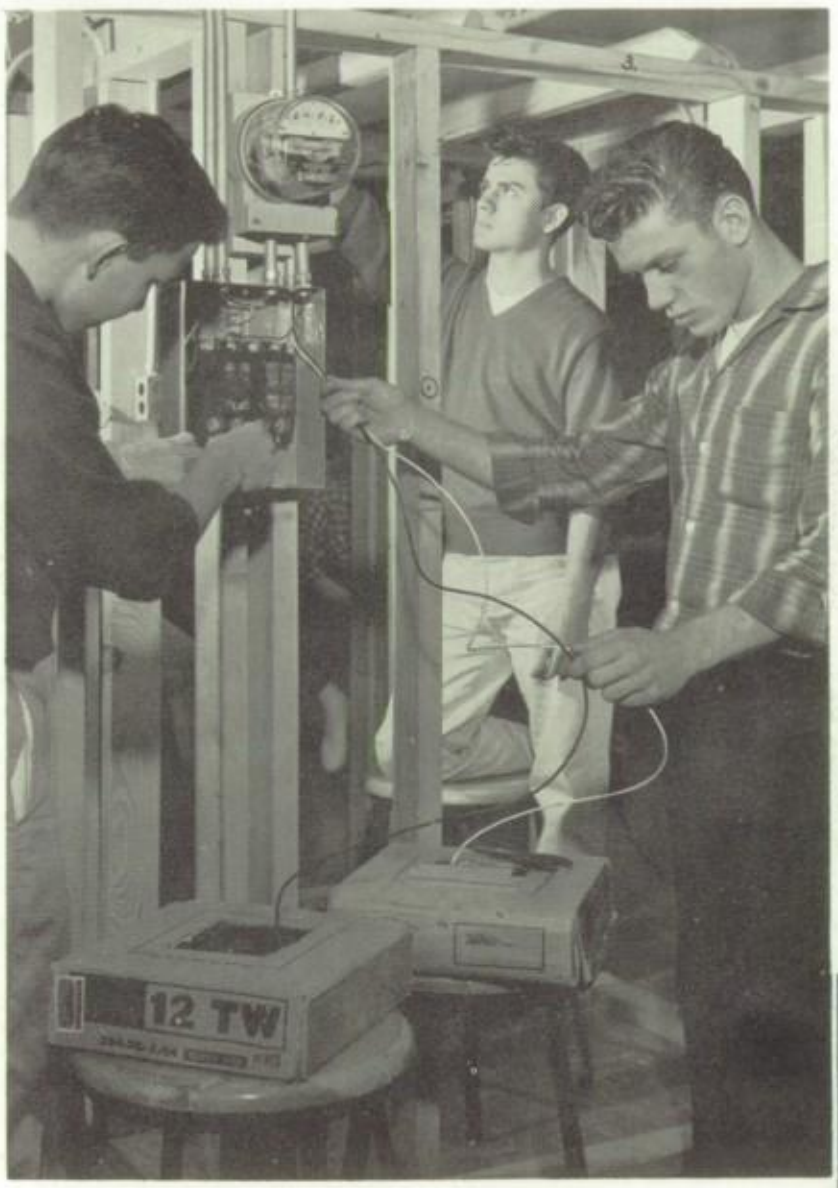
# PRACTICAL ARTS

**THE PRACTICAL ARTS** program has grown steadily at DGHS. The Industrial Arts department offers courses in auto mechanics, electric shop, mechanical drawing, printing and woodworking. Home economics courses at Downers include Clothing I and II, Food I and II, and Home Management. The skilled trades and knowledge of home responsibilities promote successful careers at home and on the job.



Ed Schultz, Wayne Starnes, and Tom Hedges study home wiring problems in Electrical Shop.

# SCIENCE

The **Natural Sciences** are among the fastest expanding divisions of human knowledge, resulting in continual change in the natural science curriculum at DGHS. This year's addition for qualified juniors and seniors is an advanced biology course in which microbiology, cell structure, and genetics are among the topics studied. New equipment and ideas introduced to the students in this class, as well as in chemistry, physics, physical science and first-year biology classes, help stimulate interest in this large and important department.

# FOREIGN LANGUAGE

**THE FOREIGN LANGUAGE DEPARTMENT,** headed by Miss Blanche Howland, has taken progressive steps in two major areas this year. For the first time, third-year courses in French and German are available to students, while the third-year studies in Spanish and Latin continue to be offered. To further promote the study of languages other than English. DGHS has installed a language laboratory which gives students the opportunity to improve their understanding and pronunciation by listening to authentic records of the language.

# FINE ARTS

The **Art Department** gives students an opportunity to develop imagination, originality, good taste, and discrimination. The new art rooms, designed with the aid of department head, Miss Velma Dickson, are spacious enough to provide for the growing department, and are located conveniently close to the auditorium, where sets and backdrops always require artistic assistance.

"Seventy-Six Trombones"

"Holiday for Strings"

The **Music Department** was enlarged this year by the addition of Chamber Choir. Besides the usual repertoire of high school choruses, the Choir performed Mozarts short mass, "Missa Brevis." The orchestra and band have also expanded, each adding a beginner's group to develop potential members. The two instrumental organizations participated in the State Music Contest at Rock Island in April.

Business students serve the school by mimeographing materials for clubs and teachers.

# BUSINESS

To the rhythm of J-U-J and ISH CHAY-JAY, students of DGHS prepare themselves to enter the **Business** world. Through courses in accounting, business law, economics, general business, office practice, shorthand and typing, the business department is developing constructive citizens with a knowledge of business practices.

# PHYSICAL EDUCATION

The purpose of the **Physical Education Department** is to produce well-rounded individuals by developing the body as well as the mind. A new testing program, introduced this year, will help the department check on individual progress: "The Youth Fitness Test" as it is called, is administered at the beginning, and again at the end, of the school year.

The gym program encourages healthful living through the teaching of physical skills, proper health habits, and good sportsmanship.

# SPECIAL

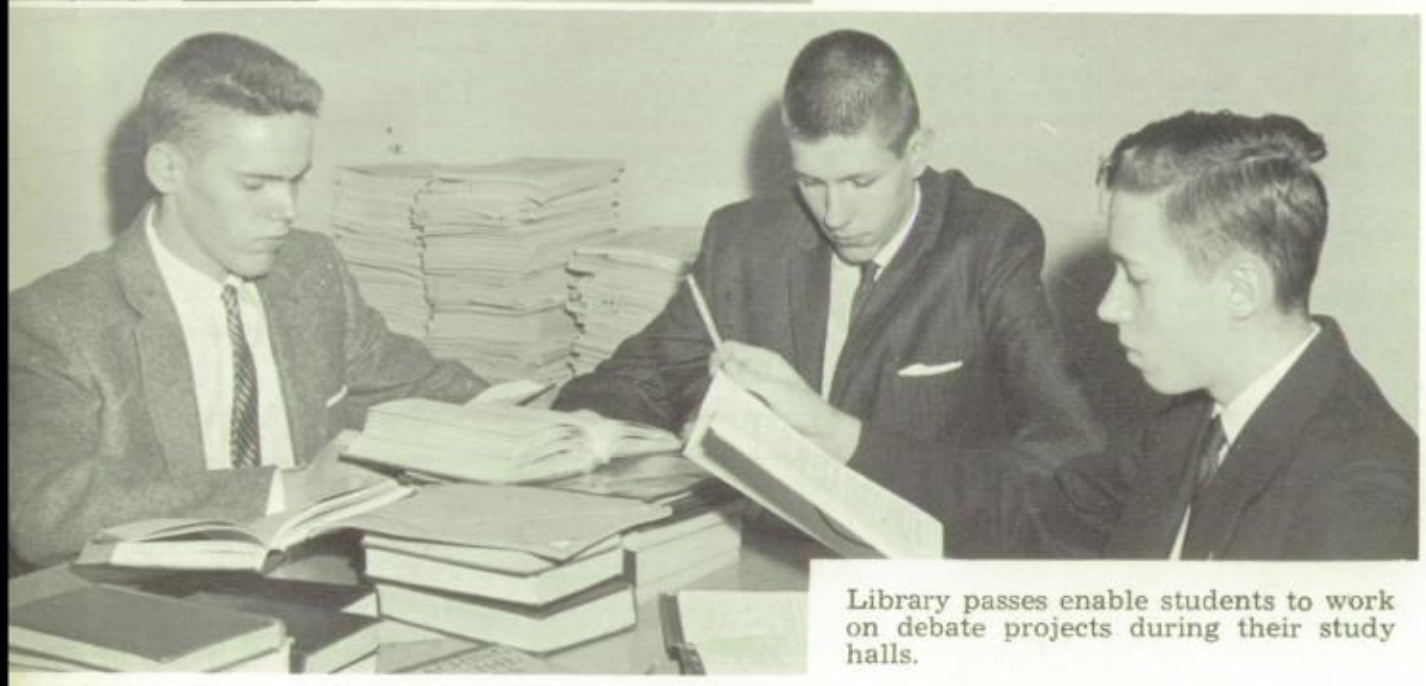
# SERVICE

Thoreau, Burns, Shakespeare, along with many modern authors appear on DGHS library shelfs.

**The Library,** enlarged by over one thousand new volumes this year, provides books and other material for research and pleasure. Records of operas, bands, and foreign languages, plays, and poetry; career pamphlets, and college catalogs; films strips, periodicals, and daily newspapers are now also available.

A well equipped clinic is able to meet any crisis should the need arise.

**The Clinic**, under the supervision of Mrs. Hitzeman, provides emergency care for high school students. The department also conducted a comprehensive program of eye testing.



Library passes enable students to work on debate projects during their study halls.

**Study Halls** as the name suggests provide a quiet atmosphere for students to work on daily assignments.

# EVENTS

Swingin' instrumental

Big events; little events — formal or informal — as participants or spectators, students recall with pleasure the social activities which are part of the extra-curricular school program. Gym circus, Homecoming parade, club programs, Christmas parties and programs, musical concerts, operetta, plays and dances are memorable experiences which are intermingled with satisfactions derived from solid academic achievements. Balanced and blended to provide a wide variety of social and cultural experiences, the events program is successful because of careful advance planning.

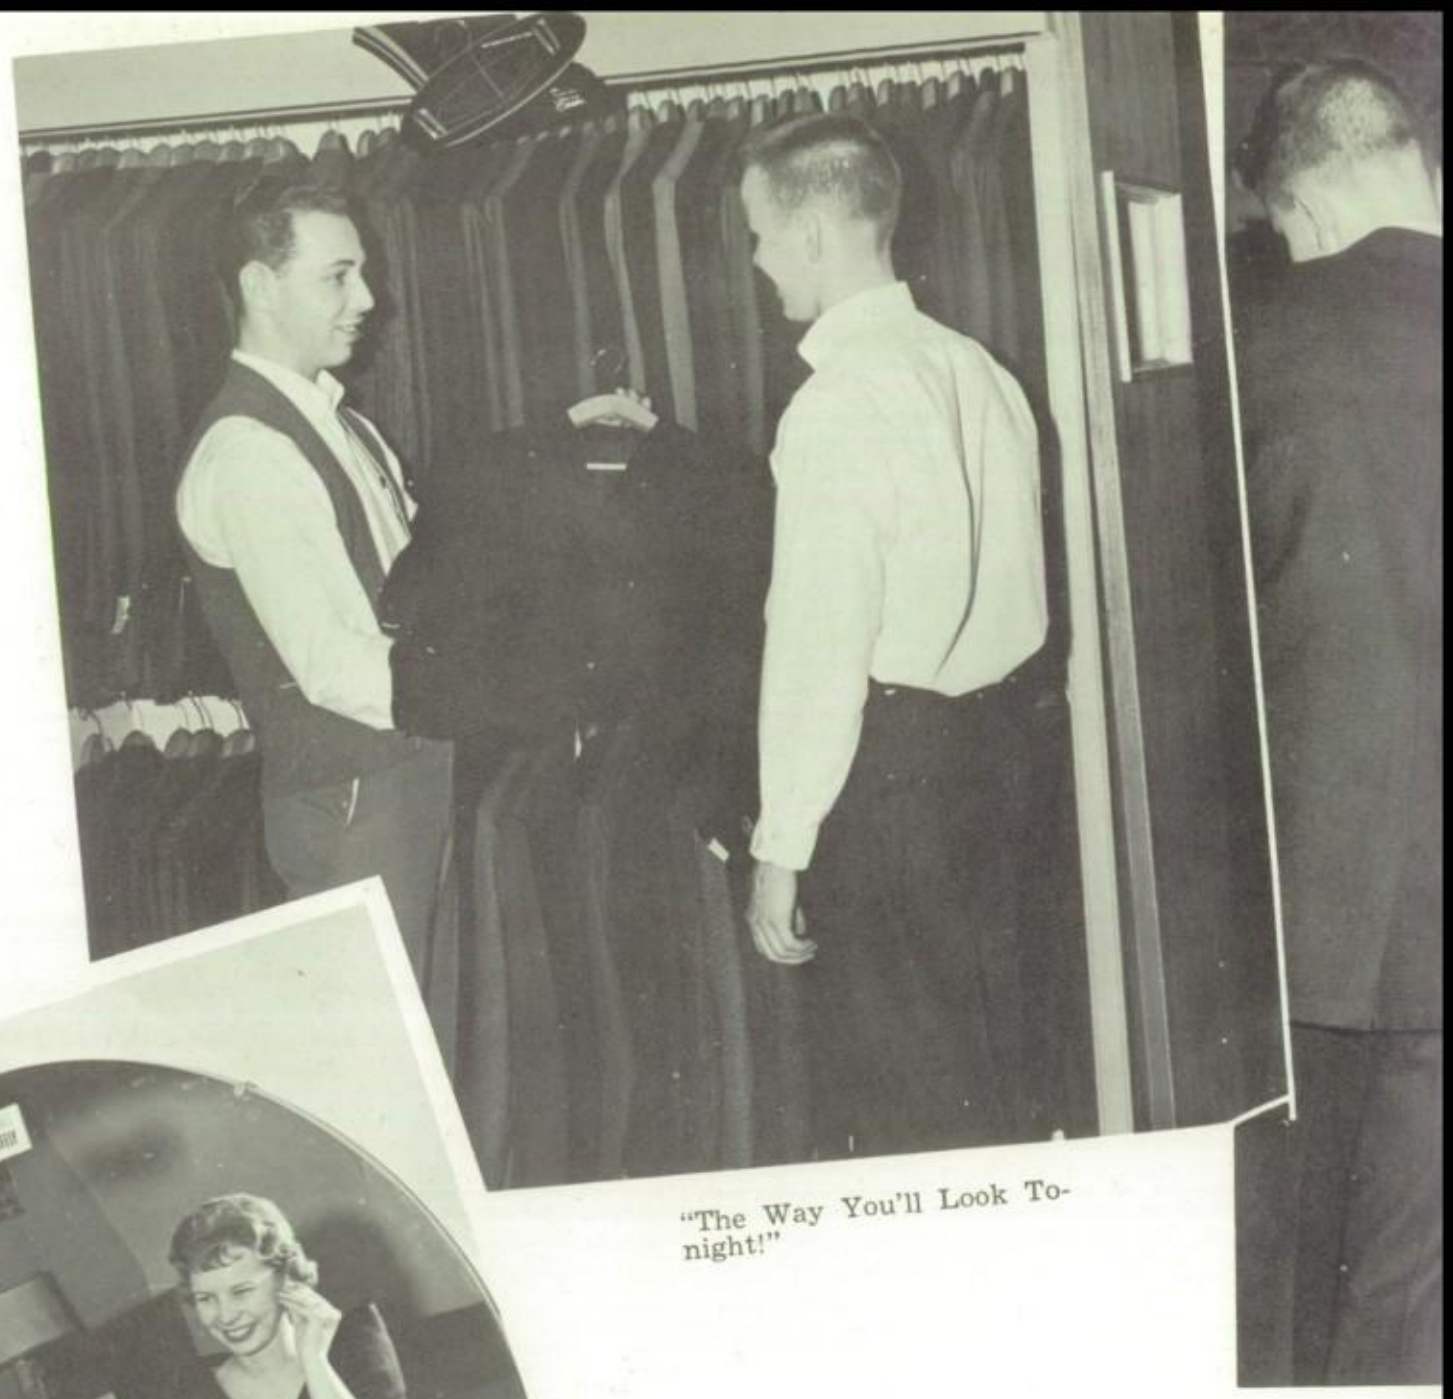
## DAT OLE MAN RIVER

The A Cappella and Chamber Choir under the direction of Miss Barbara Barnes presented the operetta, **Showboat.** The atmosphere of the old South was realistically achieved through attractive stage settings, colorful costuming, and effective lighting. The presentation was distinguished by unusually fine vocal effects.

Oh, what is this awful thing that has happened?

Awful cute, Mr. and Miz' Hawks.



"The Way You'll Look Tonight!"

"How Do You Speak To An Angel"

Getting ready for the **Dance** is half the fun. Photographed on these pages are preparation activities, posed by two popular seniors, Joan Keough and Jim Hansen. And after the last strains of the evening's music have faded, the event remains as one more pleasant memory of happy student days.

# PLAYS

The first dramatic presentations this year were made at the **Drama Club** Play Night October 2. Two one-act plays, "Snow White and the Seven Dwarves" adopted and directed by DGHS student Peggy Grimes, and "The Stolen Prince," were produced. An excerpt from **The Matchmaker** rounded out the evening's entertainment. On November 12 and 13, the class of '60 gave the annual Senior Class Play, **A Double Barrelled Dectective Story,** adapted from a story by Mark Twain. The presentation was highlighted by stylized sets and costumes. **The Diary of Anne Frank,** the all school play, was a decided success.

Dramatics presentations during the year provided a rich experience for both the actors and the students who enjoyed the performances.

# SENTIMENTAL JOURNEY

All Aboard! Standing on islands between mud puddles, October 23 and 24, a mass of loyal Trojans helped kick off the **1959 Homecoming** at the pep rally and bonfire Friday evening. Once ignited, the fire burned brightly until late that night; but the kindled Trojan spirit glowed through the entire weekend.

Journey to Victory! Even the most stalwart Downers fans were subdued before the second half of the varsity game, as rains drenched the carefully prepared floats, the products of planning and hours of preparation. The day was bleak for both Downers and La Grange gridders: all Trojan and Lion drives bogged down in the muddy mid-field, and the game ended in a scoreless tie.

Destination Dreamland! The weather did not dampen spirits at the Homecoming Dance. The Music offered by Ted Allan's band was superb; the decorations, representing the signs of the Zodiac, were fanciful and artistic. The coronation of Truman Phillips and Betty Sue Frey as King and Queen climaxed the well planned, exciting, and memorable weekend.

# ORGANIZATIONS

A measure of the diversity of interests of Downers' student body is reflected by the number and variety of extra-curricular **Organizations.** From music to science to horseback-riding, the clubs differ as do the needs and desires of the students.

The dismissal bell at 2:41 does not mark the end of the day for a great many students who rush to their lockers, deposit their books, and hurry to a meeting of one of the 34 clubs which DGHS sponsors. Perhaps they go to a lecture on transistors in 315 or work on a film strip in 116. Maybe they meet to plan a horseback ride, or to challenge other schools in debate. They might be discussing modern mathematics or watching a demonstration on the use of cosmetics. Some take photographs; others edit these for use in the school paper or yearbook.

Variety — broadening interests — these are what the clubs and organizations of DGHS supply.

Physical Science Club officers — Bill Brownell, Pres.; Kathy Saxton, Sec.; Mr. Henry Krass, Sponsor.

# PHYSICAL SCIENCE CLUB

Downers students have followed the world-wide trend to greater interest in science. The three-year old **Physical Science Club** has become one of the most active and important organizations in the high school. The Club presents movies and speakers, sponsors tours, and organizes an annual science open house for parents and other interested persons. Under construction during the school year are projects which earn recognition at both district and state science fairs.

Biology Club officers — Burr Eichelman, Treas.; Stephanie Ogden, Pres.; Nancy Barenbrugge, Sec.; Robert Tyle, V.P.

## BIOLOGY CLUB

Book reviews, movies, discussions, and field trips are part of the **Biology Club** program. Trips included visits to the International Livestock and Horse Show, a game farm, a fur farm, and Argonne National Laboratory. Work on projects for the Junior Academy of Science Fair constitutes a continuing interest at the meetings held regularly during the school year.

## INTERNATIONAL RELATIONS CLUB

**INTERNATIONAL RELATIONS CLUB** is organized to broaden student understanding of world problems. Regularly held meetings feature speeches and programs of slides followed by group discussions. This year guests from Germany, England and France spoke to the club. A field trip was made to Argonne National Laboratory where the members ate lunch with foreign students.

Edith Kapui, Pat Fournier and Suzanne LaFayette keep up on current events in International Relations Club.

French Club Class officers — Bill Mitchell, Carol McAndrews, Dennis Kleidon, Anne Poling, Mireille Chausse, Carol Wandschneider, Judy Bonny.

Spanish Club officers — Ruth Whitlock, Program Chairman; Gwen Law, Pres.; Jim Beach, Sec.-Treas.; Lynne Bradley, Refreshments Chairman; Sharon Osborn, V.P.

German Club officers — Paul Link, V.P.; Joel Wissing, Pres.; Linda Shields, Treas.; Nancy Diederichs, Sec.

Because the study of **Foreign Languages** in DGHS is becoming increasingly popular, the enrollments in concomitant clubs have increased proportionately. Individual clubs have entertained foreign students as guests, presented programs typical of the country whose language is the topic of study, and enjoyed dinners and banquets featuring representative foods. Club members meet together to learn about the economic, social, and religious lives of the peoples whose languages they are studying.

# RADIO CLUB

**RADIO CLUB** members meet regularly with their president, Jim Korb, to study electronic principles and exchange ideas concerning future developments in the field. Interest is stimulated by faculty members and qualified radio experts who frequently participate in roundtable discussions sponsored by the club members.

Radio Club Members —
Row 1 Ted Skok, George Ray, Jim Korb, Pres.
Row 2 Jim Ringle, Vance Shoger, Jim Barnes, Dave Briggs.

# HOMECOMING STEERING COMMITTEE

The success of the 1959 Homecoming was a result of the efforts of the 18 members of the **Homecoming Steering Committee.** Truman Phillips and Mary Groat, co-chairman of this year's steering group, were chosen in the fall of 1959 by the 1958 Committee. The other committee members were selected in the spring of 1959 by the faculty sponsors. The group was divided into nine sub-committees which, with Mrs. Wood, the sponsor, and Mr. Blatchley, her assistant, handled the various facets of planning. This year's efficient group finished the plans and even part of the decorations during the summer. The Committee experimented with unusual decorations which gave the illusion of a lower ceiling in the new gym where the dance was held. The Homecoming was unusually successful because of the careful planning of the Committee.

Chess Club officers — Bill Vavrinek, Pres.; Frank Habdas, V.P.; Ernest Frankovich, Sarah Johnston, Sec.-Treas.

## CHESS CLUB

**Chess Club** members arranged and participated in several inter-school tournaments in 1959-60. Tournaments were held with many West Suburban Conference and non-conference schools. Intra-Club games were played regularly by the 32 members. The Club library of books on Chess Playing was increased this year.

## SERVICE CLUB

Membership in **Service Club** is restricted to students who volunteer to assist teachers and administrators during their free periods by performing clerical tasks. These students render a real service to the school, and at the same time learn details of office and organizational operations. Some of the club members are chemistry lab assistants, while others relieve at the telephone switchboard, do filing or typing, or perform messenger services. An above-average grade record is required of students who apply for admission to this club.

# Y-TEENS

Over half of the girls in DGHS belong to **Y-Teens.** A cabinet of 26 members plan the general monthly meetings. The club is divided into special interest groups which also hold their own meetings once a month. The interest groups are the Travel Club, which sponsors educational trips within a radius of fifty miles; Charm Club, which promotes good grooming and an awareness of fashion; Social Service Club which undertakes the collection of food from students for distribution in the community at Thanksgiving and donates various articles to hospitals and other charitable organizations; Newcomers' Club, which introduces new students at DGHS to the school and connected activities; and the Matin group, which plans and presents a service for the entire Y-Teens. General group activities included the initiation of members, the Big-Little Sister Tea, Father-Daughter, a Style Show, the Mother-Daughter Tea, and an annual turn-about dance.

Social Service Club — Genie Haberman, Pres.; Barb Hughes, V.P.; Vickie Mittlefehldt, Sec.-Treas.; Mrs. Hanson, Sponsor.

# HI-Y

Opportunities for service, leadership and pleasure are offered by **Hi-Y.** Money earned from selling refreshments at football games is often contributed to such organizations as the Youth Center. Hi-Y boys serve as ushers on College Night. Unusual topics are presented by speakers at regular meetings; members also enjoy the periodically-scheduled sports nights. Building leaders is a goal of Hi-Y. This year four members were selected to represent Hi-Y at the Y.M.C.A. University of Good Government at Springfield.

Hi-C Officers
Karen Dudgeon, V.P.; Georgiana Frantik, Social Chairman; Margaret Kimball, Rec. Sec.; Mr. Carozza, advisor; Sonna Langford; Paul Johnson, Pres.; Dana Sim, Treas.; Roy Anderson; Verdella Williams, Prayer Group Chairman.

## BOOK CLUB

**Aku-Aku, The Beat Generation and The Angry Young Men,** and **The Wall** are three books typical of those read and discussed by members of the **Book Club.** The weekly meetings of this two-year-old club are composed of informal discussions led by members. The material read is correlated, so that different members read books about the same period, and may compare their impressions.

## HI-C

Christian fellowship is the object of **Hi-C.** At informal meetings and at special events such as the Billy Graham Wheaton Crusade, members meet and mix with other Christian young people. The organization is open to Christians of any denomination

Book Club Officers
Betty Kozak; Stephanie Ogden, Sec.-Treas.; Sue Warford, Pres.; Joel Wissing, V.P.

# SENIOR MATH CLUB

Boolean algebra, sets, astronomy and the fourth dimension are topics typical of those studied in **Senior Mathematics Club** in 1959-60. The subject material was prepared and presented by various club members at weekly meetings. The club sponsored two local tournaments of nation-wide math contests, the Mathematical Association Test and the Future Engineers of American Test. Four club members, Ernest Frankovitch, Arnold Dicke, Bill Brownell, and Ken Moller, ranked in the upper 10 per cent nationally in the FEAT. The group also was represented by Ernest Frankovitch and John Poling, along with Mr. Paine, the sponsor, at the Regional convention of Mu Alpha Theta National at the Museum of Science and Industry, Chicago.

Senior Math Club Officers
Row 1 Norman McNeil; Dave Gustin, Sec.-Treas.; Ernest Frankovitch, Program Chairman.
Row 2 Bill Brownell, Pres.; Richard Anderson, John Poling.

# JUNIOR MATH CLUB

"Anything new and interesting in math" is the way Mr. Miller, sponsor, describes the domain of the **Junior Mathematics Club.** In trying to cover sidelights not mentioned in the classroom, the group spent much time on the slide rule, the binary system, and "brainteaser" logic problems.

Junior Math Club Officers
Bill Hughes, Treas. Mr. Miller, Sponsor; Charles Lundfelt, V.P.; Bon Jacot, Pres.; Ronald Freed, Sec.

Commercial Club Officers
Row 1 Karen Mech, V.P.; Charlene Johnson, Pres.; Eva Jean Thorsen, Sec.
Row 2 Nancy Van Buskirk, Publicity Chairman; Carol Dow, Treas.; Sandi Vosen, Publicity Chairman.

# COMMERCIAL CLUB

Phases of business not covered in the classroom are presented to the members of **Commercial Club** by speakers from various areas in the business world. Tours of business houses in downtown Chicago are often planned. A picnic and the construction of a prize-winning homecoming float are examples of the club's social activities.

# F. H. A.

**FUTURE HOMEMAKERS OF AMERICA** chose as their motto, "Toward New Horizons," thus encompassing all the purposes of the club. Purposes are well coordinated with activities which included a fashion show of clothes made and modeled by the girls and a series of lectures and demonstrations by Gas Company representatives. Coffee and baked goods were served to teachers after school.

F.H.A.
Row 1 Marie Baker, Publicity Chairman; Darlene Hickman, V.P.; Patty Collings, Pres.; Beverly Rada, Treas.; Pat Paara, Sec.; Lila Christiansen, Projects Chairman.
Row 2 Gail Bien, Junior Rep.; Diane Rhea, Social Chairman; Maude Obitts, Sophomore Rep.; Jackie DeLaat, Finance Chairman; Cindy Vreeland, Freshman Rep.; Diane Roach, Historian; Margie Piper, Social Chairman; Claudia Cunningham, Membership Chairman; Margie Eichmann, Senior Rep.; Mrs. Cunningham.

F.N.A. Officers
Seated — Mrs. Hitzeman; Charlotte Hothan, President.
Standing — Jackie Leszinski, Treasurer; Meg Meyer, Vice President; Pat Paara, Secretary.

## F. N. A.

**F.N.A.** members meet regularly to listen to talks by public health officers and student nurses and to discuss phases of the nursing and medical fields. Special projects this year included making hospital tray favors, selecting books as gifts for children in hospitals, and taking orientation trips to the Hinsdale Sanitarium and the Health Museum, both located in Hinsdale.

## F. T. A.

**The Future Teachers of America** offers its members opportunities for educational, services, and social activities. The monthly meetings feature panels of students and speakers who are either teachers or administrators. Visiting a school for the handicapped and participating in the State F. T. A. Convention were especially interesting and educational experiences for the members. American Education Week was observed by giving each teacher an apple and an hour of service. The club also took an orientation trip to Northwestern University and purchased placemats for the teachers' lunchroom.

F.T.A. Officers — Sue Warford, Pres.; Vicki Mittlefehldt, Treas.; Leslie McPherson, Sec.; Lynne Bradley, V.Pres.

Row 2 Neil Sharpe, Frank Guthrie, Joan Keough, Bill Miller, Carl Wimmer, Nancy Kral, Kris Benson, Jeri Logemann.

# STUDENT COUNCIL

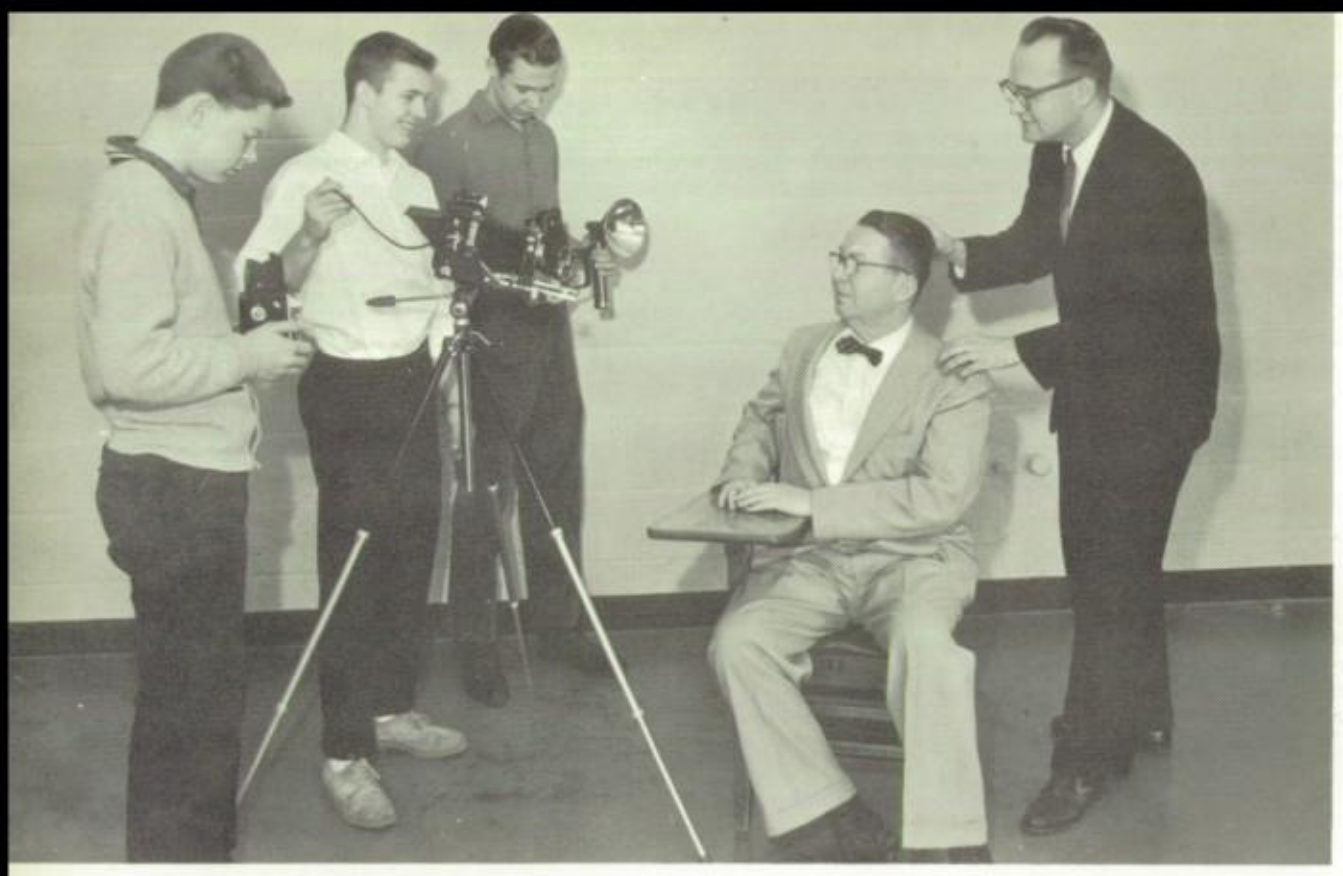
**STUDENT COUNCIL,** in addition to its regular responsibility of providing a link between the faculty and the student body, has taken on the direction of several activities during the year.

Again the Council sponsored a program to send a student abroad during the summer. In turn, Downers received Mireille Chaussé, a student from France, for the school year. Money for the exchange program was raised by a donkey basketball game which pitted the senior varsity basketball players against the junior players.

Other Council activities included setting up an Honor bulletin board near 202, directing the Freshman Party and the United Fund drive, and sponsoring a turnabout dance on January 9th.

Senate, a smaller group within Student Council, met fourth period every day to discuss problems brought up by homeroom representatives and then placed the most important of the problems and questions on the regular Council agenda.

Student Council Officers
Seated — Nancy Hector, Corr. Sec.; Rita Mitchell, Rec. Sec.; Truman Phillips, Pres.; Fran Hein, V.P.; Jim McJoynt, Treas.
Standing — Mrs. Anderson; Mr. Adams.



Camera Club Officers — Haines Lockhart, Sec.; Bud Jordan, Pres.; Bob Eggler, V.P.; Mr. Holt, Mr. Leathers, Sponsors.

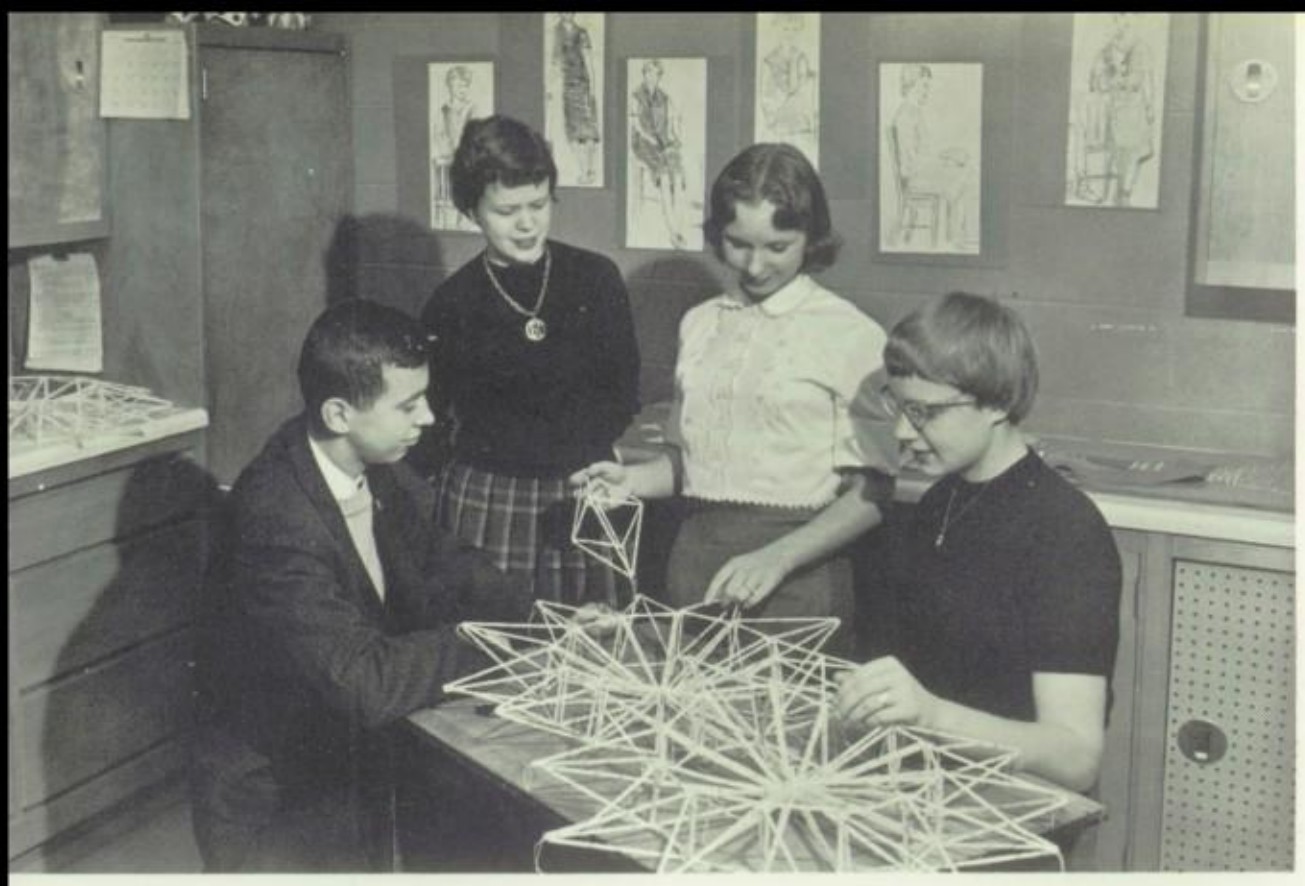
## CAMERA CLUB

Learning to take better pictures is the purpose of the **Camera Club.** Members learn about developing, printing and enlarging their own photographs. Mr. Holt and Mr. Leathers, the sponsors, help in demonstrations and discussions of lighting for indoor pictures and speeds of film. Field trips to the Brookfield Zoo and Morton's Arboretum provided color and beauty for member photographers.

## A. V. A.

Amidst films, projectors, screens, record players, and "mikes" are found the **A.V.A.** boys who play an important part in the special projects department of DGHS. Under the direction of Mr. Paul Kluth, these boys not only show movies to classes and clubs, but also handle record players, tape recorders, microphones, sound and lighting equipment in the auditorium and gym.

A.V.A. Members
Row 1 Ed Willad, John Becole.
Row 2 Jim Daly, Wayne Piotrowski, Wayne Hoppenrath, Ray Sakraida, John Venning.
Row 3 Jeff Harris, Spencer Snyder, Ray Ponstein, Dick Konecny, Dave Briggs, Gary Baker, Vic Tschaida.
Row 4 Jerry Sidley, Bill Barber, Ed Pleitgen, Jim Korb, John Godfrey, Glenn Beisser, Ron Miller, Lee Peterson.



Art Club Officers — Phil Hanson, Pres.; Carol McAndrews, V.P.; Linda Martin, Sec.; Sally Schubert, Treas.

## ART CLUB

**ART CLUB** membership includes not only students taking art courses, but also other interested students. Projects of challenge and interest are planned for the members. This club worked with ceramics, made papier-mache angels, and enameled copper jewelry. The Club, aided by Mrs. Velma Dickson, also produced a cartoon by working directly on a film strip.

## DRAMA CLUB

Under the sponsorship of Mrs. Marjorie Wood, **Drama Club** has become one of the largest organizations in the school, with the total membership of over 400. National Thespians in the club organized special workshops which supervised make-up, costume design and production, scenery, and properties for all of the Club presentations and many of the school productions. The Club productions included the Play Night: "Song of Glory," presented at Christmas time; and "A Lovely Miracle" given at the district speech contest in February. Many of the Drama Club members attended the National Thespian Convention at Oak Lawn, Illinois, and several of the Thespian members participated in a National convention in Indiana at the end of the spring semester.

Row 3 Bill Kornrumpf, Mac Light, Jan Dian.

Model Railroad Club Members — Bob Frye, Alan Chandler, Dick Hedstrom, Sergeant-at-arms; Bill Barber, Sec.-Treas.; Ron Miller; Jim Daly; Mr. Lane; Dave Briggs, Pres.

## MODEL RAILROAD CLUB

Trips to the Burlington Yards and to other freight yards and shops highlighted the program of the **Model Railroad Club** in 1959-60. In their regular meetings, bull sessions and trouble-shooting talks are held, at which the twenty members discuss their individual layouts at home. Club members also use their own equipment on the club-owned board layout at school.

## BIT AND SPUR CLUB

**THE BIT AND SPUR CLUB** is made up of students who have an interest in horses and riding. They meet regularly to duscuss riding equipment, riding clothes and equestrian experiences. Their most important activities were their rides at Milnes Stables and a trip to the International Horse Show in Chicago.

Bit and Spur Club Members — Janice Newsted, Sue Ahalt, Joan Domschke, Chris Vedlicka, Norma Zaloudek.

Cathy Carey leads the Pep Club section in a cheer at a home basketball game.

## PEP CLUB

No one who attends a Downers home basketball game can fail to see, or at least hear, the white-shirted, white-bloused **Pep Club** section. Along with boosting DGHS morale, Pep Club sponsored the sale of Trojan teddies, the auction of a basketball autographed by Downers players, and Trojan Twirl, the Pep-D-Club dance.

## "D" CLUB

The white-sweatered athletes on duty at the doors of the gym at basketball games are representatives of the **Downers Lettermen's Club.** These members also work with the Boosters' Club to promote interests of the athletic department. The purpose of the club is to encourage good sportsmanship and promote harmonious balance among major and minor sports. Traditional events include the "D" Club-Pep Club dance held late in December, 1959 and formal initiation of new members in January, 1960.

## LIBRARY CLUB

**The Library Club** this year produced "Trojie," a library bookworm mascot who it is hoped will become a well known school symbol, useful for recommending books to the student body. The Aids also made white satin bookmarks as faculty Christmas gifts.

The Library Club is divided into four service areas: 1) circulation desk crew; 2) reference desk workers; 3) attendance door staff; 4) office aids.

## POM POM SQUAD

**THE POM POM SQUAD** has become a school tradition in the last four years. Membership was passed on to the present squad by the girls in the class of '59 who originated the group in their sophomore year. In turn, this year's squad will select next year's squad. This year the Pom Pom girls have prepared their own routines under the direction of co-captains Emily Senderling and Cindy Wyman and have performed at the Homecoming football game, basketball games and the Youth Center Carnival.

# CHEERLEADERS

School spirit is personified in the **cheerleaders.** The 1959-60 squad, coached by Mrs. Joan Dale, tried many new ideas and experiments. New ideas for pep rallies — such as the "Mat Dillan" skit used this year — were suggested at a cheerleading clinic in November headed by Miss Pauline Hess, cheerleader coach at Michigan State. Both the varsity and the frosh-soph crew experimented with six and eight cheerleaders at a game to determine the more effective number. Some of the girls worked with the junior high cheerleaders.

GIRLS PLAY BASKETBALL?

# G. A. A.

Archery, badminton, tennis, table tennis, trampoline, apparatus, modern dance, volleyball, basketball, speed ball, stunts, tumbling, bowling — these are the activities **G.A.A.** offers for Downers girls. G.A.A. also sponsors extra events such as a picnic, Freshman Party, Hallowe'en Party, Mother-Daughter Tea, a dance, and an awards breakfast.

SITTING AND HANGING

# LEADERS' CLUB

Helping the physical education teachers in the girls' gym classes and assisting with G.A.A. sports after school are the duties of the eighteen members of the **Leaders' Club.** After one year as trainee, girls are eligible to be chosen by the gym teachers for Leaders' Club. The club holds regular monthly meetings, and occasionally the members meet with the leaders' clubs of other schools.

# THE DEBATE CLUB

**THE DEBATE CLUB** topic of the year is "Labor-Management Relations," formally stated **Resolved: That the federal government should substantially increase its regulation of labor unions.** The varsity and sub-varsity debaters traveled with Mr. Olney, their coach, to debate with schools in the Chicago area, as well as participating in the state contest. Most varsity competition was in the Metropolitan Debate Union. A tournament at Augustana College was the high point of the debate season. The debaters made an excellent record in more than fifty varsity interscholastic matches.

The Cauldron Cache

The search for something different dominates Cauldron summer planning sessions. The staff sifts ideas for pictures, lay-out and special features to fit the book's theme, chosen the previous spring. This fall five board members accompanied by advisor Mrs. Lois Dahl attended the convention of the Illinois State High School Press Association at the University of Illinois to compare their ideas with those of journalists from across the state.

Senior staff members were honored and special recognition awards were presented at the annual spring dinner.

# ATHLETICS

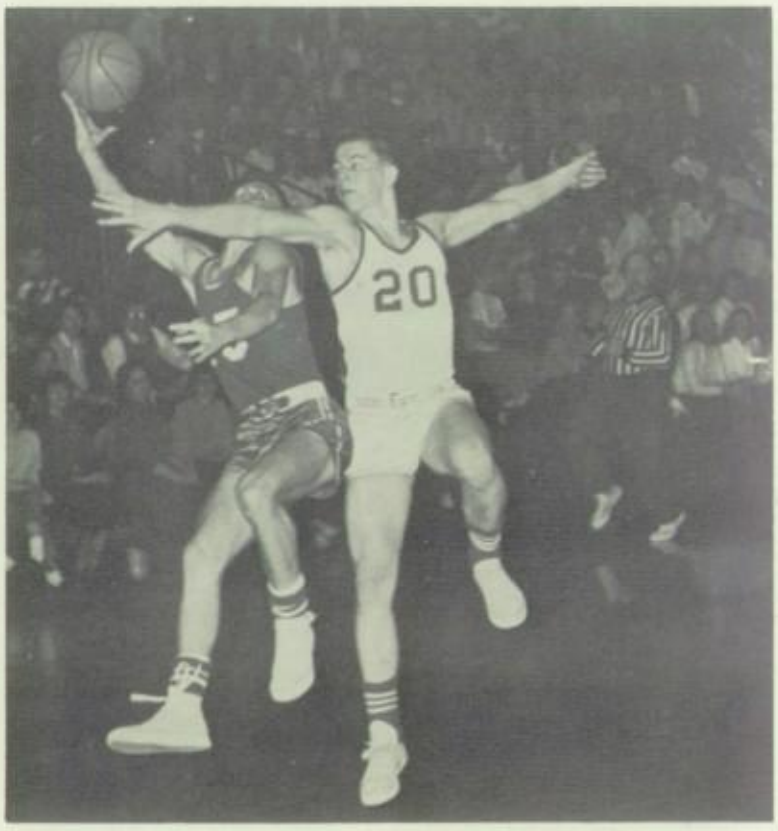
For the individual, athletics is a means of combined expression of the strength and agility of the body with swift mental evaluation of situations. The perfect athlete must supplement his muscle-power with quick thinking and co-ordination.

Athletics on a team level produces more than a strong body, however. All coaches stress the axiom: A team must work together. The athlete must be able to coordinate his effort with that of his teammates if the team is to win.

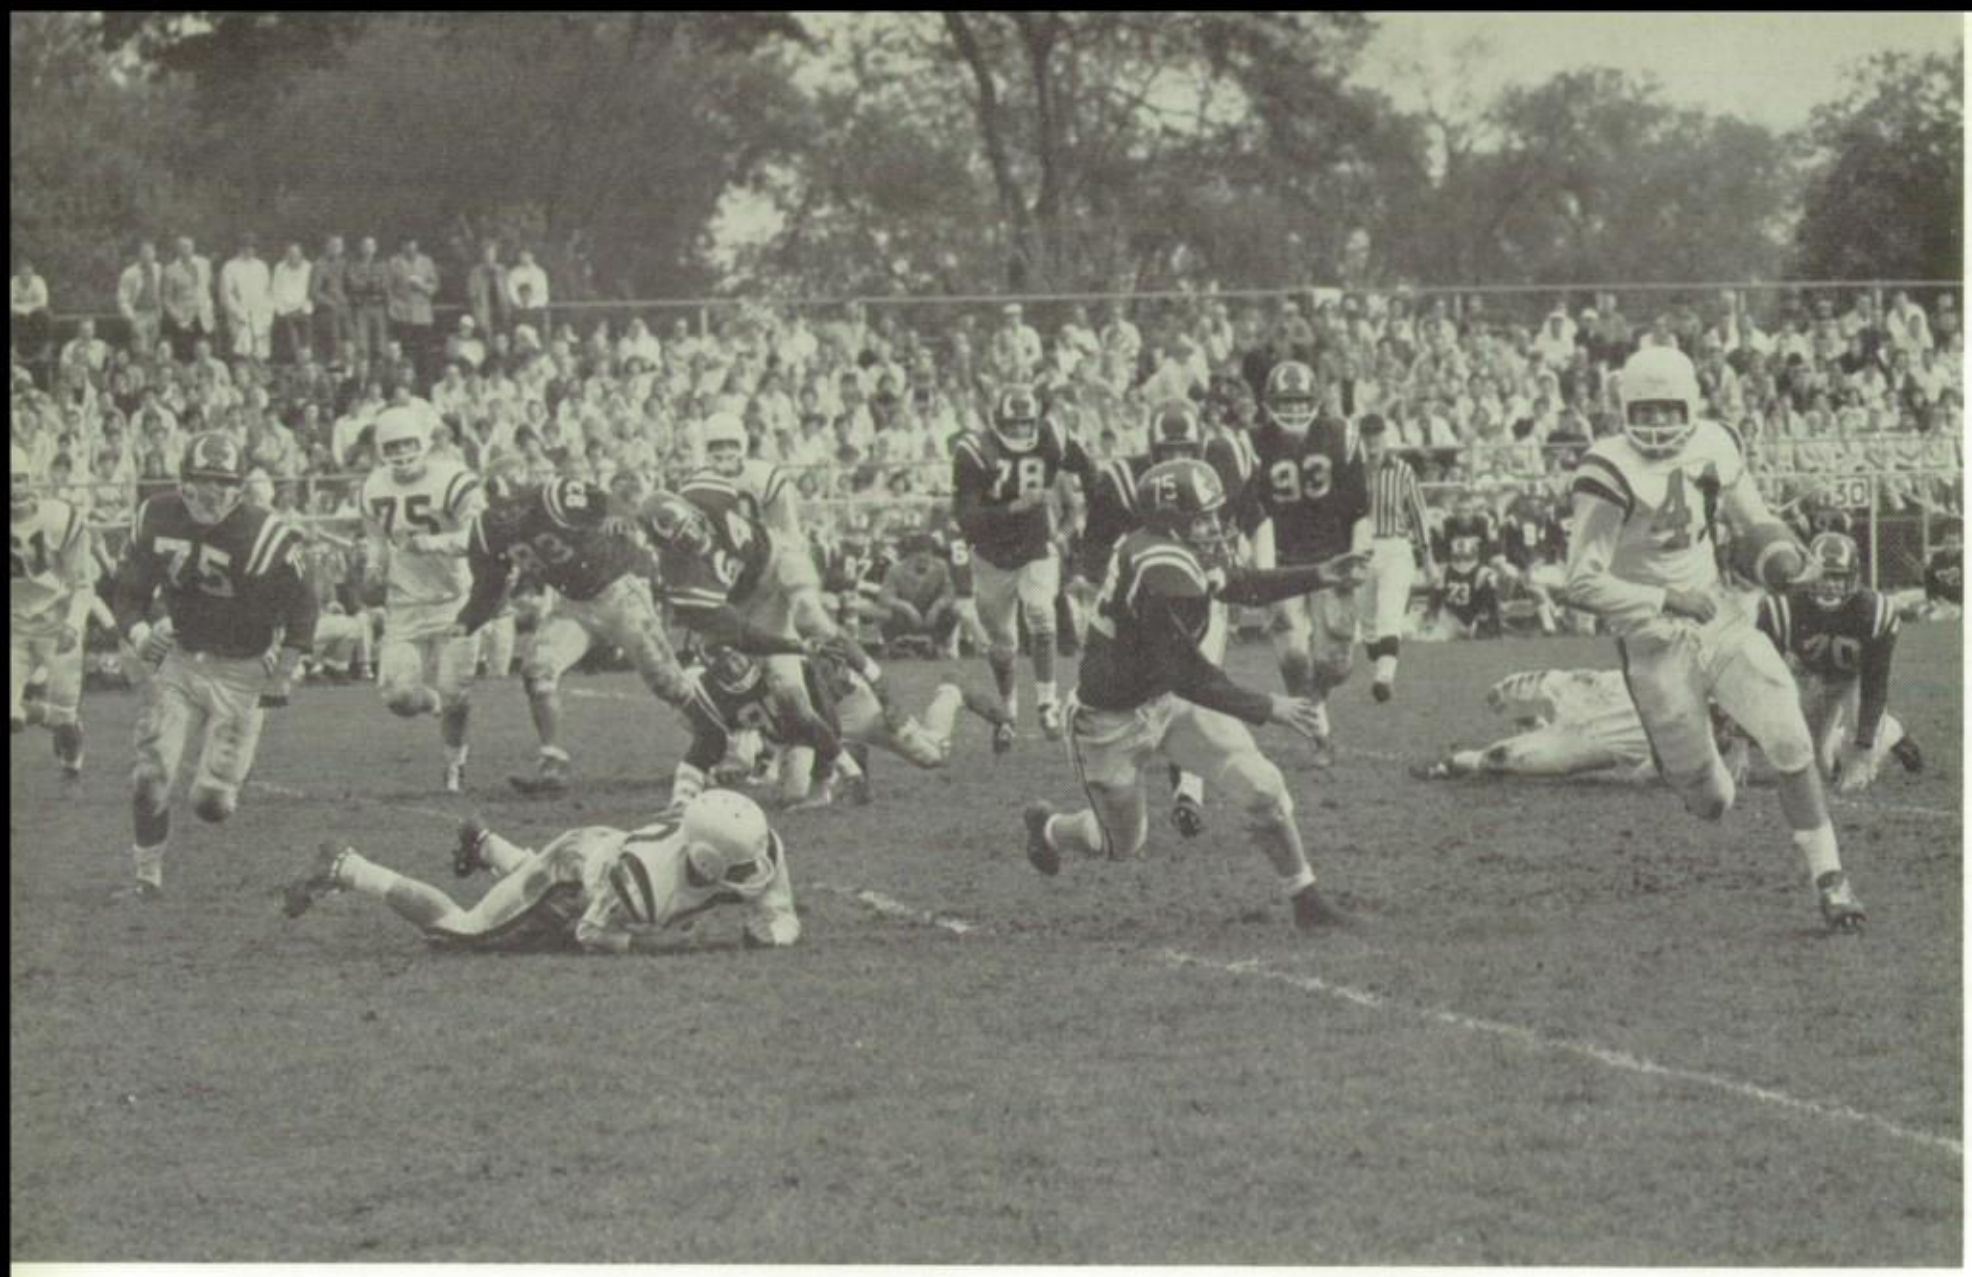
To succeed in any form of sports the athlete must establish and follow self-discipline on and off the field. He must cultivate that intangible quality — desire.

A fine body, a quick mind, team spirit and desire characterize the fine athlete.

The last mile . . .



Sticky fingers!



Downers break around the end.

Mud, rain and slippery fields kept the Trojan football squad from playing up to expectations in 1960. Although Downers began the season by handing Naperville a sound 30 to 0 whipping on a dry field, a second quarter deluge against Riverside-Brookfield helped the Bulldogs reverse a 15-point Trojan advantage, and muddy conditions held the Trojans to two wins, four losses, and one tie in the West Suburban Conference, good for only a fifth place berth. Most disappointing was the scoreless tie against cellar-dwelling LaGrange on Homecoming Weekend, played on a field so mire that offense could mount a sustained drive.

Named to the W.S.C. all-Conference squad were Jim Hansen, Gene Smith, and Danny Jacobozzi. Tackle Andy Weise was selected by the coaches to receive the team Most Valuable Player Award.

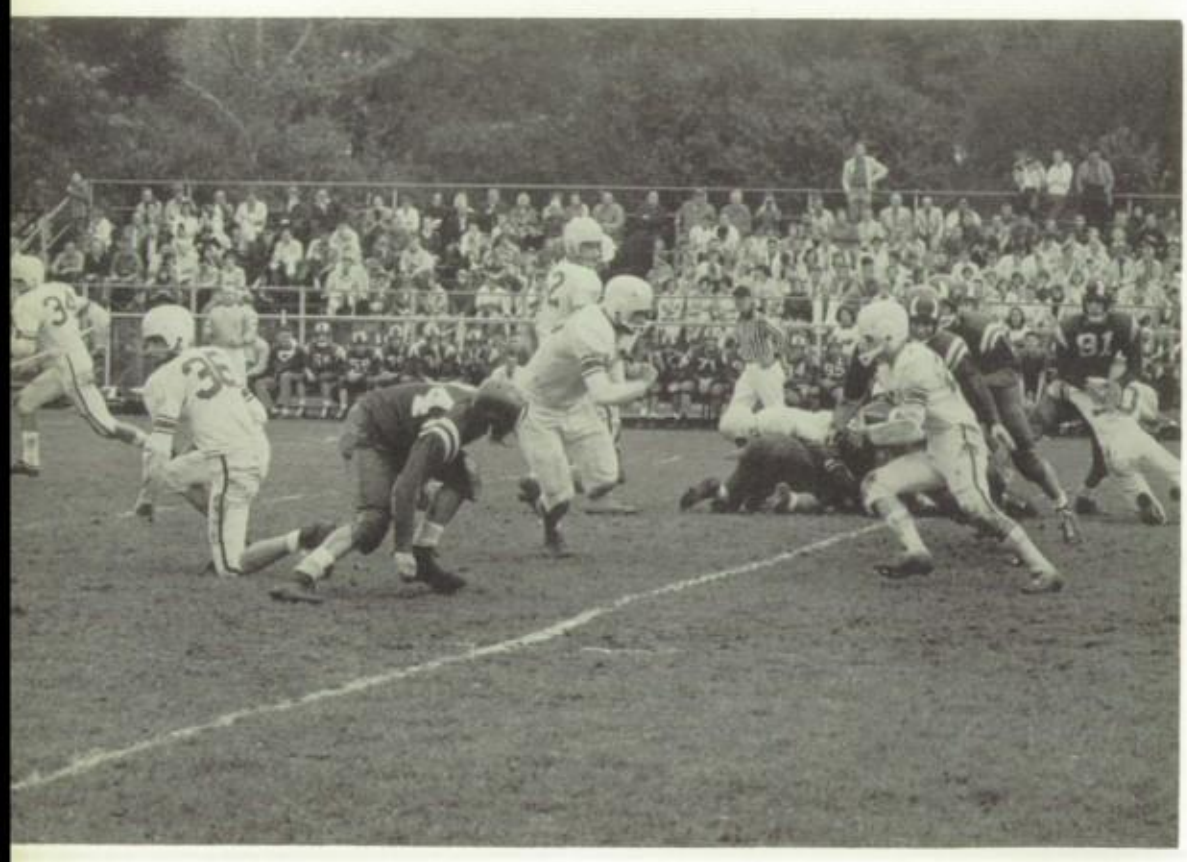
# FROSH - SOPH FOOTBALL



Ponies move down field.

Coached by Robert Fletcher for the first year, the frosh-soph gridmen finished with an overall season's record of three wins and five loses.

Opening the season with a non-conference loss to Naperville, the Ponies bounced back to win their first conference game from Riverside-Brookfield by the score of 6-0. A four-game losing streak, including a 6-0 heart-breaker to Lyons at Homecoming set the stage for a fast season's finish. Coming from behind to defeat Glenbard West at their Homecoming 13-7, the Ponies then blitzed Arlington 20-6 in the season's finale.

# CROSS-COUNTRY

Again coached by Roger Lofgren, the varsity harriers this year fielded a much improved team. Although going winless, the thin clads came within one point, 31-32, of winning at York and placed a runner in the top 15 at both the district and the conference meet. Junior Bill Bulat, who was chosen most-valuable runner at the end of the season, finished 13 at the conference meet and placed 12 at the district or state qualifying meet.

Judging from the frosh-soph record, the future looks considerably brighter for the Trojan cross country squads. Under the coaching of Roger Lofgren for the second year, the frosh-soph harriers finished fifth in the conference. They won three dual meets while losing four, and placed fifth in the conference meet with 99 points.

Heading the frosh-soph squad were Lee Martin, who ran shoeless for most of the season, and Steve Brubaker.

# VARSITY

Fast starts with slow finishes characterized the play of the Downers Grove varsity basketball team this year. The cagers often ran up first half leads against powerful rivals, but were unable to keep the pace. Downers finished seventh in the WSC with a four-win, ten-loss record.

The Trojans were led by highscoring forward Bill Miller, whose season's point total, third high in the league, earned him a berth on the All-Conference squad. Miller and Truman Phillips the only returning lettermen, were joined by various combinations of seniors, juniors and sophomores Dick Perkins, Rich Coffin, and Dave Wotring saw the most action.

# FROSH - SOPH

# BASKETBALL

The frosh-soph Ponies, coached by Jim Lind for the third year, were hampered by a lack of height and experience. Without any returning numeral winners, the inexperienced squad over many of their early season troubles and finished the season a much improved team. After losing two mainstays, Jim Elza, who moved to Minnesota, and Bill Duffy, who was moved up to the varsity team, the majority of the playing was done by Herb Fink, Bill Gall, Bill Gartin, Steve Brubaker, Tom Brodine, and Mike McAllister.

The ceiling is the limit!

Safe by a mile!

# VARSITY BASEBALL

Cold weather was the curse of the 1959 Trojan baseball team. Frigid temperatures forced the postponement of many of the early-season games. The holdover games crowded the schedule at the end of the year.

Although the Varsity finished below second place for the first time since Guy Wellman became coach, the standings do not show the entire picture. The Trojans began the season auspiciously with a victory against La Grange, the eventual league runner-up. Then Downers' luck turned, as the Trojans dropped six conference dicisions by one run. Among these were two losses to the champion Maine Blue Demons. Ken Lutgens threw a one-hitter in the latter of these, but lost 1 to 0.

Lutgens, Bruce Gibson, Jim McAllister, and junior Gene Smith were named to the All-West Suburban Conference squad. Gibson, the first baseman, received the team's Most Valuable Player Award.

# FROSH - SOPH BASEBALL

Coach Warren Holbrook's frosh-soph baseball squad split their schedule, with five wins in ten games. The Ponies record of three wins and four losses was good for sixth place in the West Suburban Conference. The top frosh-soph pitchers were Fred Mundinger and Bill Gurican, whose three-hit hurling and clutch home run won one of the Ponies most exciting duels, a 3 to 2 victory over Main. Catcher Wynn Miller led the team in hitting. Hom Martinek was strong with the bat, while providing good defense at second base.

# VARSITY WRESTLING

Wrestling is back on firm footing at Downers Grove. This fact is evident from the improvement shown by the record of this year's squad over that of the 1959-60 crew. Last year's squad, won only one match in conference competition. In 1959-60 a 3-win, 4-loss league record was enhanced by 6 wins and 2 losses against non-conference foes.

Seven Downers wrestlers ranked high enough at the district matches to be advanced to the sectionals. They were: Jack Bochar (195 lbs.), Ed Briner (103 lbs.), John Tamburrino (112 lbs.), Dave Kerchner (120 lbs.), Alan Mejdrich (127 lbs.); Bruce Bish (133 lbs.), and Dick Trumbull (165 lbs.). Captain Wayne Stack, the only Trojan elected to the All-Conference team, injured his wrist and was unable to wrestle at the District Meet.

# FROSH-SOPH WRESTLING

Downers' first conference championship of 1959-60 was won by Coach Chuck Novotny's frosh-soph wrestlers. The unbeaten underclassmen posted fifteen consecutive victories in their drive to the first wrestling crown DGHS has held since it recommended the sport two years ago. The squad was captained by Barry Ganek.

# TRACK

Form

Utilizing their new indoor track facilities beginning in January, Coach Jim Stahl's thinclads produced a seasonal record that was both disappointing and encouraging.

The varsity squad had the least favorable record of the teams. Although the upperclassmen came up with numerous fine individual performances, it remained for most valuable runner Dave Stormer to bring home the honors. Stormer, a senior hurdler, became the only Trojan to qualify for the state meet where he captured fourth place in the high hurdles.

The freshman and frosh-spoh squads, exhibiting well-balanced teams, raised hopes for improved future records.

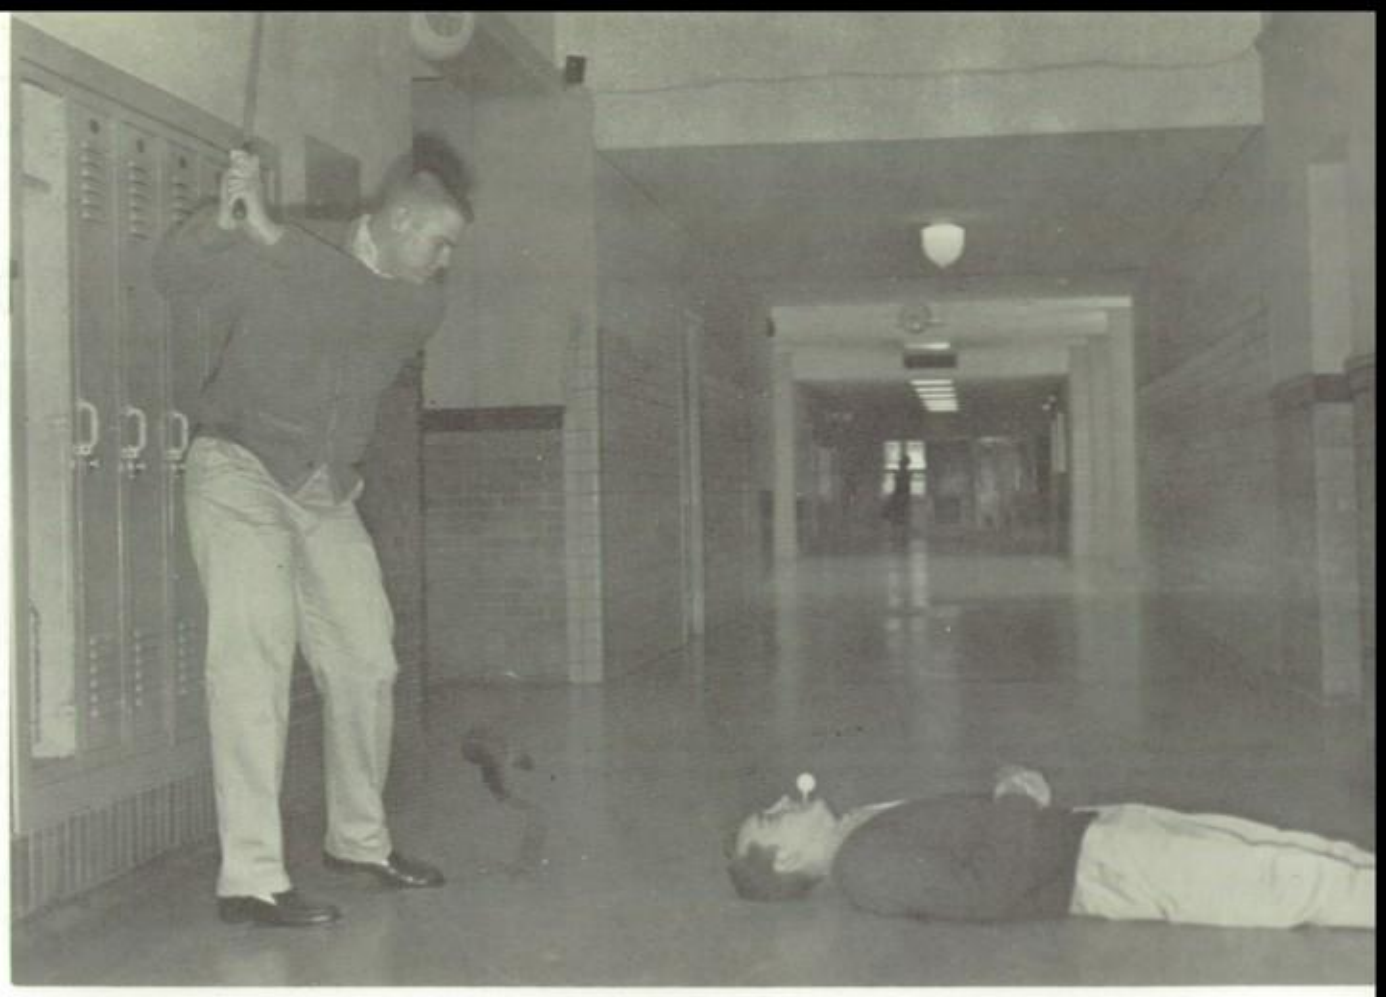
# GOLF



Devoted caddy????

**The Trojan Golfers,** under Coach Dick Carstens, finished another successful season with an overall record of six wins and seven losses.

The varsity squad, after winning their district meet and placing eleventh in the state meet, returned to capture 3rd place in the conference meet and second place in the conference standings. Leading the varsity linksmen was Bud Barnhart, who finished 1st in the district meet, sixteenth in the state meet, and 3rd in the conference meet.

The frosh-soph team did even better. They won ten meets while losing their only match to Hinsdale, and finished first in the conference standings. Ricky Van Horne was medalist at the frosh-soph conference meet.

Row 2 Mr. Oracko, Coach; Dick Lucier, Dave Wotring. Dick Reinhold, Paul Pelletier Don Cummins, Paul Pickrel, Dick Thurston, Chuck Koonz, Mr. Feverschwenger, Coach.

**The Frosh-Soph Tennis Team** finished the season with the best record that a D.G.H.S. tennis team has earned in a good many years. Winning 16 points in dual meets and 2 in the conference tournament, our team placed third in the WSC. The racket-men triumphed in five of the dual meets, losing only to Hinsdale and LaGrange, who eventually tied for the championship.

**Varsity Tennis,** one of the brightest, least expected surprises in the Downers spring sports picture in 1959 was the upset victory of the Trojan doubles team of Bob Jucovis and Ken Powell in the West Suburban Conference meet. The unseeded duo, which met both first-seeded Hinsdale and the second-ranked Glenbard teams in winning the conference title, made many people take another look at Downers' tennis squad.

Although tennis at Downers Grove is still in the first stages of Coach Steve Oracko's rejuvenation program, Jucovics and Powell's victory pointed to the potential to be developed at Downers.

# CLASSES

The heart of any school is its student body. The trends discussed in this book were all created by or for the members of the four classes. But the classes themselves remain practically unchanged over the years. Freshmen will always be freshmen and seniors will always act like "the living gods of DGHS."

The following section pictures the students of Downers High. Among them are athletes and scholars, artists and scientists, leaders and followers. The ideas, actions, and opinions of each are woven together to form what is called student life at Downers Grove.

Junior class FLING!

That can't be me!

# SENIOR CLASS OFFICERS

What will become of the Class of 1960 after graduation? No one can be sure, but statistics from recent classes may give an indication of the future.

If the "sixties" follow the trends of these classes, forty-five percent will enter college next September. Many will continue their education at the schools in Illinois and neighboring states, but some will go as far as New England or California. Forty per cent will start earning their living before next fall. About five per cent will join the armed forces. And before another class has graduated, wedding bells will sound for about twenty-five "sixties."

# 1960 JUNIORS

"Enthusiastic" might be the best adjective to apply to the class of '61, for this year's Juniors have channeled an abundance of energy into their participation in sports, clubs, publications and musical organizations, as well as in classroom activities. The Juniors have worked well individually by maintaining a high honor roll percentage and as a class by sponsoring a very successful dance. They have assumed responsibility by electing capable class officers and they have shown their school spirit by their regular attendance at school events. In expanding their activities and increasing their knowledge, the Juniors are preparing to manage the tasks that will be placed before them as Seniors. The Junior class officers were chosen on October 12th last year and since then they have directed class sponsored activities and have represented the Juniors at various school functions.

# JUNIORS

Juniors count their winning contribution to the United Fund.

One little, two little, three little In DIANs!

# 1960
# SOPHOMORES

The Sophomore year is a year of extending and probing abilities. With a wider choice of academic subjects and more opportunity in extracurricular activities, the sophomore can explore his interests. He may learn to drive a car from the school program, study one of the new courses offered, such as Psychology or Government, and take more detailed classes of the required basics.

Social life of the Sophomores started with the building of their third prize float, a Kangaroo with the motto, "Get the Jump of L.T." Sophomores had some original acts in Carnival, and they closed the year with their dance in May.

# 1960 FRESHMEN

One of the finest new additions to the high school this year was the class of '63.

Starting the school year in typical freshman confusion, this class, full of pep and energy, soon became a definite part of DGHS.

Many in the class entered high school with an advantage over previous classes, having had algebra and Spanish on the junior high level.

Joining school clubs and organizations, the freshmen have prepared themselves for the responsibilities they will discharge as sophomores next year.

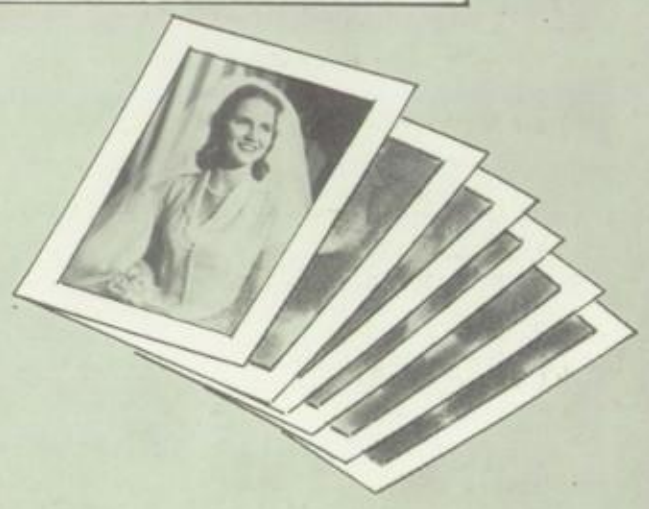
# Cherished Memories



When that cherished day arrives you'll want a living record made by a professional photographer. After the words have been said, the food eaten and the refreshments consumed, the only record of the day with all your friends will be your wonderful portraits.

ROOT will record your candid wedding story with the delicate touch of an artist. For pre-bridal, engagement or other formal portraits, ROOT has seven complete mobile studios for portraits at your home, church, reception or in our downtown studio. Free inside parking across the street at Peerless Service Parking.

**A SPECIAL 20% DISCOUNT to readers of this ad on Candid Wedding Portraits mounted in a beautiful album.**

**Formal Wedding Portraits**

*BRING THE COUPON BELOW TO THE STUDIO OR MAIL FOR INFORMATION*
